<p><b>Fiscal effect: Currently, ODA acts as the OCSC's fiscal agent and appropriations for OCSC are under ODA. The bill funds OCSC as a stand-alone agency. ODA could have a minimal decrease in administrative expenses since it will no longer perform fiscal agent duties for OCSC. However, there could be some minimal increases in administrative expenses for OCSC as it transitions to operating as a stand-alone agency.</b></p>	<p><b>Fiscal effect: Same as the Executive.</b></p>	<p><b>Fiscal effect: Same as the Executive.</b></p>	<p><b>Fiscal effect: Same as the Executive.</b></p>
