 1327.61, 1327.62, 1327.65, 1327.70, 1327.99

Establishes a new permit program in the Division of Weights and Measures that requires permits for operating a commercially used weighing and measuring device that is a livestock scale, vehicle scale, railway scale, vehicle tank meter, bulk rack meter, or LPG meter.

Defines "commercially used weighing and measuring device" to mean a device described in the National Institute of Standards and Technology Handbook 44 and any other weighing and measuring device designated by rules adopted under the Weights and Measures Law and specifies that such a device includes, but is not limited to, a (1) livestock scale, (2) vehicle scale, (3) railway scale, (4) vehicle tank meter, (5) bulk rack meter, and (6) LPG meter. Defines these six devices.

Establishes a \$75 permit application and \$75 permit renewal fee for each of the above six devices, and requires the Director of Agriculture to establish procedures governing the issuance or denial of permits as well as any late fees or penalties.

Requires all money collected through the payment of these permit fees or penalties to be deposited into the renamed Metrology and Scale Certification and Device Permitting Fund (Fund 5H20), and adds oversight of the device permitting program to the purposes for which money in the Fund may be used (current uses include oversight of the metrology laboratory and type evaluation programs).

Alters the specified provisions of the Weights and Measures Program that trigger a civil or criminal penalty.

**Fiscal effect: Increase of approximately \$450,000 in permit fee revenue deposited into Fund 5H20**
