R.C. 3793.04, 3793.21, 4511.191, 5111.911 to 5111.913, Section 215.20

Requires that funds appropriated to ODADAS for community alcohol and drug addiction services that are transferred to ODJFS for the Medicaid program be excluded from the funds that ODADAS allocates and distributes to community behavioral health boards for such services.

Same as the Executive.

Same as the Executive.

Specifies that community behavioral health boards are responsible, until July 1, 2012, for paying the nonfederal share of costs incurred under a component of the Medicaid program that ODADAS administers and requires the boards to use funds allocated and distributed to them by ODADAS to make the payments. Makes ODJFS responsible for the nonfederal share of such Medicaid costs effective July 1, 2012.

Same as the Executive.

Replaces the Executive provision with a provision under which ODJFS's responsibility for paying the nonfederal share becomes effective in FY 2012 and provides that the boards are not required to use any funds other than the funds allocated to them from new GRF line item 038501, Medicaid Match, and the federal reimbursement boards receive, to pay for costs incurred under a component of the Medicaid program that ODADAS administers during FY 2012.

Requires that the portion of the fee persons pay to have a driver's or commercial driver's license or permit reinstated that is credited to the Statewide Treatment and Prevention Fund be used for purposes identified in ODADAS's comprehensive statewide alcohol and drug addiction services plan rather than to pay the costs of indigent driver treatment and intervention programs.
