	<p>Fiscal effect: This provision might reduce GRF tax revenues in FY 2013 by a minimal amount, though it is likely the full fiscal impact of this provision, up to \$25 million per year, will occur outside the next biennium. The tax credit is currently claimed against the personal income tax, the corporate franchise tax, and the dealers in intangibles tax. Any revenue loss to the GRF would also decrease the amount of tax revenue that will be deposited to the Local Government Fund (LGF) and the Public Library Fund (PLF); revenue losses to the LGF and PLF would decrease distributions to counties and local governments.</p>	<p>Fiscal effect: Same as the House, except establishes the Historic Rehabilitation Tax Credit Operating Fund in the state treasury, permits fee revenue to the new fund, and requires the fund to be used only for reasonable costs incurred by the Department of Development in administering the tax credit program.</p>
