DOHCD14 BCMH Rebates for Drugs and Nutritional Formulas

R.C. 3701.021, 3701.023

Authorizes ODH to establish a rebate program for its Bureau for Children with Medical Handicaps (BCMh) program that would require a manufacturer of a drug or nutritional formula to enter into a rebate agreement as a condition of having the drug or nutritional formula covered by programs administered under BCMH.

Fiscal effect: Gain of rebates.

R.C. 3701.021, 3701.023

Same as the Executive, but provides that the rebate program created may be a rebate or a discount program.

Fiscal effect: Same as the Executive.

DOHCD18 Abstinence Education - Title V Funds

No provision.

R.C. 3701.0211

Requires the ODH Director to annually apply for federal Title V funds each year funds are made available for abstinence education.

**Fiscal effect: Potential gain of federal Title V funds.
Potential minimal increase in administrative costs.**

DOHCD21 Definition of Health Home

No provision.

R.C. 3701.032

Permits the ODH Director to adopt rules that define what constitutes a health home for the purpose of any entity authorized to provide care coordination services.

Fiscal effect: Potential minimal increase in costs for administration and rule promulgation.

Help Me Grow

R.C. 3701.61

Specifies that besides encouraging prenatal and well-baby care, the Help Me Grow Program's purpose is to also provide parenting education to promote the comprehensive health and development of children and to provide early intervention services pursuant to federal law.

Provides that home visiting services are provided to eligible families with a pregnant woman or an infant or toddler under age three (rather than newborn infants and their families as is currently the practice). Eliminates a requirement that a request for home visiting services be made by a parent of an eligible infant before the services can be provided.

Permits the ODH Director to enter into interagency agreements with state agencies to implement Help Me Grow and distribute funds through contracts, grants, or subsidies to entities providing services and eliminates a requirement that the distribution of subsidies to counties is a program requirement. Requires ODH to establish a system of payment to program providers to the extent funds are available.

No provision.

R.C. 3701.61

Same as the Executive, but instead specifies that the program's purpose is also to provide family-centered parenting education, services, and support that acknowledge and support the vital role of families in ensuring the well-being of children and that promote the optimal social, emotional, cognitive, intellectual, and physical development of children.

Same as the Executive, but refers to "family-centered" instead of "home-visiting" services and specifies that families with incomes below 200% of the federal poverty guidelines and with a pregnant woman or an infant or toddler under age two (rather than three as in the Executive version) are eligible for home visiting services. Includes provisions, not in the Executive version, that require ODH to obtain written consent before providing any Help Me Grow services and specifies that participation in home visiting services is voluntary.

Same as the Executive.

Requires providers of home visiting services to deliver services using the "parents as teachers home visiting model" and authorizes the ODH Director to select other

home visiting models to be used by providers delivering services in addition to that model.

Requires providers of home visiting services, as a condition of receiving payment for the services, to report to the ODH Director data on program performance indicators, including the risk indicators of low birth weight and pre-term births.

No provision.

Requires the ODH Director to prepare an annual report on the data received from the home visiting services providers.

Specifies that families currently enrolled in the At-Risk Program will remain eligible for services until December 31, 2013, or until the child reaches three years of age.

Same as the Executive.

Specifies certain rules regarding eligibility for services, eligibility for providers of services, complaint procedures, and criteria for payment, that must be adopted to implement the Help Me Grow Program.

Same as the Executive, but eliminates a requirement that the ODH Director adopt rules regarding eligibility requirements for providers of home visiting services and standards and procedures for the provision of home visiting services.

Fiscal effect: Some of the provisions are updating the law dealing with the program to align with recent program changes, so there will be little to no fiscal impact. However, the provision that permits the ODH Director to enter into interagency agreements with state agencies to implement the program and distribute funds was requested to make necessary changes that could allow ODH to collect some Medicaid reimbursements for certain activities conducted under Help Me Grow. Additionally, may impact who at the community level receives the money to provide services depending on what changes are made in the contracting arrangements with the provider agencies.

Fiscal effect: Same as the Executive.

R.C. 3701.94, 3701.941, and 3702.31

No provision.

Prohibits a clinical laboratory services provider from inducing physicians or group practices to refer patients in exchange for remuneration and to split fees.

No provision.

Prohibits, generally, a clinical laboratory services provider from placing laboratory personnel in physician or group practice offices.

No provision.

Requires the ODH Director to impose a civil fine of not less than \$1,000 and not more than \$10,000 for each day a clinical laboratory services provider violates prohibitions listed above.

Fiscal effect: Potential gain in fine revenues to SSR Fund 5B50, Quality Monitoring and Inspection Fund.

DOHCD22 Nursing Facilities Operated by Religious Orders

R.C. 3702.59

No provision.

Provides, in the case of a nursing facility that may provide care only to religious order members according to the certificate of need application, that the facility may also provide care to family members of the facility's residents.

No provision.

Provides that long-term care beds in the facilities may not be relocated to a new or existing long-term care facility.

Skilled Nursing Care in Residential Care Facilities

No provision.

R.C. 3721.011, 3721.04

Revises current law that permits a residential care facility to admit or retain a hospice patient who requires skilled nursing care for more than 120 days in a 12-month period as follows:

(1) Permits a residential care facility to admit or retain any individual who requires such skilled nursing care if the facility enters into a written agreement with (a) the individual or individual's sponsor, (b) the individual's personal physician, (c) unless the individual's personal physician oversees the skilled nursing care, the provider of the skilled nursing care, and (d) if the individual is a hospice patient, a hospice care program;

(2) Provides for the agreement to include the same provisions that current law requires an agreement between a residential care facility and hospice care program to include, except that an agreement regarding an individual who is not a hospice patient must also include a provision that the individual's personal physician has determined that the skilled nursing care the individual needs is routine.

Fiscal effect: Potential savings if the individual is diverted from a higher cost setting.

(1) No provision.

(1) Transfers authority for licensing and inspecting manufactured homes parks from the Department of Health and local boards of health to the Manufactured Homes Commission.

(2) No provision.

(2) Requires the Commission to adopt rules regarding the inspection and licensing of manufactured homes parks no later than December 1, 2011.

(3) No provision.

(3) Replaces the member of the Manufactured Homes Commission that represents the Department of Health with a member who is a registered sanitarian, has experience with the regulation of manufactured homes, and is an employee of a health district.

(4) No provision.

(4) Stipulates that the term of the member of the Manufactured Homes Commission who is a representative of the Department of Health ends on the effective date of this section, and that the initial term of the registered sanitarian shall expire when the original member's term would have expired.

(5) No provision.

(5) Specifies the following apply when a person violates Manufactured Homes Law: (a) requires the Commission to

(7) No provision.

(6) Creates the Manufactured Homes Commission Regulatory Fund and requires licensing fees and fines related to manufactured homes parks to be deposited into the fund.

(8) No provision.

(7) Allows boards of health to transfer prior manufactured home park licensing and inspection fees in the amount of \$2,000 or less to the general fund of the local board of health and requires funds in excess of \$2,000 to be transferred to the Manufactured Homes Commission Regulatory Fund.

(9) No provision.

(8) Allows the Commission to enter into contracts for the inspection of manufactured home parks and gives the boards of health of city or general health districts the right of first refusal for those contracts.

(10) No provision.

(9) Requires a board of health to issue to the Commission a report of an inspection of a manufactured home park that was completed in response to a flood event within ten days after the inspection is completed.

Executive

As Reported by House Finance and Appropriations

Fiscal effect: The provision will increase administrative duties and costs related to MHC's oversight of Ohio's roughly 1,800 manufactured homes parks. However, the bill authorizes MHC to adopt licensing fees to offset these costs. These revenues are to be deposited into the Manufactured Homes Commission Regulatory Fund created by the bill, as opposed to the Occupational Licensing and Regulatory Fund (Fund 4K90) which currently supports MHC's operations. Currently, local boards of health charge license and inspection fees for manufactured home parks and transfer a portion of these fees to the General Operations Fund (Fund 4700), used by the Department of Health. The Department currently acts in an advisory role and uses funds collected for the administration of the program. As a result of the program transfer, there will be a loss of fee revenue and a subsequent decrease in expenditures for both the Department and the local boards of health.

LOCCD7 Office Space for General Health Districts

R.C. 3709.34, 3709.341

Requires a board of county commissioners to provide office space and utilities to the county's general health district board of health through FY 2011, and to provide payments in FY 2012 through FY 2015 based on specified decreasing proportions of the estimated costs of office space and utilities, with no obligation to provide or make payments for office space and utilities after FY 2015.

Relieves a board of county commissioners of its obligation to provide office space and utilities if the board of health rents, leases, lease-purchases, or acquires office space on its own.

Authorizes a board of county commissioners to donate or sell property, buildings, and furnishings to any board of health of a general or combined health district.

Fiscal effect: Reduction in costs for boards of county commissioners since they will pay a decreasing portion of costs for office space and utilities through FY 2015 and will not be required to pay any portion after that date.

Subsequent increase in costs for local boards of health in a general health district.
