R.C. 7.12, 7.16

R.C. 7.12, 7.16, 125.182, and numerous other sections; Repealed: R.C. 7.14 and 701.04

R.C. 7.12, 7.16, 125.182, and numerous other sections; Repealed: R.C. 7.14 and 701.04

(1) Revises the definition of a newspaper or newspaper of general circulation to a publication that has at least 25% editorial, non-advertising content, and that has a circulation of at least 50% of the households in the newspaper's retail trade zone.

(1) Replaces the Executive provision with provisions that revise the requirements for a newspaper to qualify as a "newspaper of general circulation" in which political subdivisions and state agencies publish public notices and advertisements and apply that definition anywhere that term is used in the Revised Code. Includes a minimum of 25% editorial content as one of the requirements. Authorizes mediation under a program operated by the court of common pleas if a newspaper's qualifications as a newspaper of general circulation are in question.

(1) Same as the House.

(2) No provision.

(2) Requires each newspaper to establish a "government rate" for publication of political subdivision public notices and advertisements, which cannot exceed the lowest classified advertising rate and lowest insert rate paid by other advertisers, and to post the notices and advertisements free on the newspaper's Internet web site, if the newspaper has one.

(2) Same as the House, but requires all legal advertisements or notices to be posted on the state public notice web site.

(3) Notwithstanding any statute or rule that requires a state agency or political subdivision to publish a notice in a newspaper of general circulation, allows state agencies or political subdivisions to publish public notices on the state public notice web site the bill requires DAS to establish under R.C. 125.182 in lieu of publishing them in a newspaper. Specifies, however, that an entity that publishes a required notice on the web site must also publish an abbreviated notice in a newspaper providing a brief summary of the notice, a reference to the web site address for the state public notice web site where the complete notice may be found, and a telephone number to call for more information.

(3) Replaces the Executive provisions with the following: (A) Specifies that if a statute requires a state agency or political subdivision to publish a notice or advertisement two or more times in a newspaper and if the statute requiring such publication refers to R.C. 7.16, the state agency or political subdivision may use an alternative publication procedure to satisfy the multiple publication requirement by publishing the first notice or advertisement in its entirety in a newspaper of general circulation, which may be made in a preprinted insert, and by publishing a second, abbreviated notice or advertisement in a newspaper of general circulation in the state (for a state agency) or in the political subdivision, and

(3) Same as the House, but makes the following changes: (a) Requires use of the state public notice web site for publishing the second, abbreviated notice, and makes a political subdivision or a state agency's web site publication secondary; (b) Expands the authority to use the alternative publication methods to include public notices required by rule (as opposed to just those required by law) and replaces the alternative publication requirements outlined in part (B) of the House provision with the requirement that the second, abbreviated notice or advertisement in the newspaper include a title, followed by a summary paragraph or statement that clearly describes the specific purpose of the

on the newspaper's web site, if there is one. (B) Specifies that the state agency or political subdivision may eliminate any required further newspaper publications if the second, abbreviated notice or advertisement meets certain criteria, including that (1) it was published in the newspaper in which the first notice or advertisement was made and is published on that newspaper's web site if there is one; (2) it refers to a web site operated and maintained by the state agency or political subdivision, or the state public notice web site the bill requires DAS to establish, on which the entire notice or advertisement must be posted; and (3) it must be at least one-fourth of the size of the first publication. (C) Prohibits a state agency or political subdivision from publishing a notice or advertisement under R.C. 7.16 if the state agency or political subdivision does not or ceases to operate and maintain a web site and if the state public notice web site is not operational.

notice or advertisement; and (c) Eliminates the requirement that the second, abbreviated notice or advertisement be of sufficient size that is at least one-fourth of the size the first publication.

(4) No provision.

(4) Eliminates the requirements that certain notifications be made in newspapers of opposite politics, in two newspapers, or in newspapers with second-class mailing privileges and instead requires these notices to be made in a newspaper of general circulation in the political subdivision.

(4) Same as the House.

(5) No provision.

(5) Allows county auditors to charge a land or home owner a flat fee for the cost of publishing the land or home on the delinquent real property or delinquent manufactured home tax lists, and to place the fee as a lien on tax delinquent parcels or manufactured homes if it is not paid.

(5) Same as the House.

**Fiscal effect: These provisions generally ease restrictions placed on state agencies and local governments related to public notifications in newspapers, which could result in savings. Although political subdivision public notice costs are unknown, state agencies paid approximately \$4.1 million in public notice advertising costs in FY 2010.**

**Fiscal effect: Same as the Executive, but as a result of the new government rate schedule, there could be additional savings in public notice advertising costs for political subdivisions over the amounts in the As Introduced bill.**

LOCCD9 Commercial Advertising on State Agency and Political Subdivision Web Sites

R.C. 9.03, 9.031

R.C. 9.03, 9.031

Authorizes state agencies and political subdivisions to adopt rules (in the case of state agencies) or resolutions (in the case of political subdivisions) to authorize commercial advertising on state agency and political subdivision web sites. Requires the rules or resolutions to specify the persons authorized to place the advertising on the web sites, the criteria for choosing advertisers and types of permissible advertisements, the requirements and procedures for making requests for proposals under the authority to place commercial advertisements on web sites, and any other necessary requirements and limitations for the authorization.

Same as the Executive.

No provision.

Modifies the current prohibition against commercial advertising by political subdivisions by allowing commercial advertising as long as it is posted on a political subdivision's web site in compliance with the authorization under the bill.

Same as the Executive.

No provision.

**Fiscal effect: The provision would increase revenues for those entities that chose to offer advertising on their web sites.**

LOCCD50 Reverse Auctions for Political Subdivisions

No provision.

No provision.

R.C. 9.314

Authorizes political subdivisions to purchase by reverse auction services or supplies for the design, construction, alteration, repair, reconstruction, or demolition of a building, highway, road, street, alley, drainage system, water, system, waterworks, ditch sewer, sewage disposal plant, or any other structure or works of any kind.

**Fiscal effect: Uncertain, but allowing political subdivisions to use reverse auctions may result in savings for services and supplies if competing vendors bid lower prices than they might under standard competitive bidding procedures.**

LOCCD5 Intergovernmental Shared Services

R.C. 9.482

Grants authority for political subdivisions to enter into contracts with one another to provide services, and specifies, in order to receive a service, a contracting recipient political subdivision must otherwise have the legal authority to exercise, perform, or render the service, and requires the legislative authorities of the contracting subdivision to approve the participation.

Provides that the political subdivision tort liability law applies to political subdivisions that are parties to an agreement and to their employees when they are rendering a service outside the boundaries of their employing political subdivisions under an agreement.

R.C. 9.482

Same as the Executive, but requires political subdivisions that enter into an agreement for joint services under the bill to first obtain the written consent of a non-participating subdivision if the agreement is to be performed within that non-participating sub-division.

Same as the Executive.

R.C. 9.482

Same as the House, but specifies that the proposed language does not prohibit agreements for the shared collection, administration, or enforcement of taxes or limit the ability of subdivisions to create and operate joint economic development zones or joint economic development districts.

No provision.	Requires the Auditor of State to review and approve the financial recovery plan of a political subdivision in fiscal watch, and if the Auditor determines that a feasible financial recovery plan has not been submitted within 120 days of the declaration of fiscal watch, or within any extension of time granted, authorizes the Auditor of State to declare a state of fiscal emergency.	Same as the House.
No provision.	Makes the following changes in current law that apply to political subdivisions in fiscal emergency:	Same as the House.
(2) No provision.	(1) Revises the composition of, and reduces to five the number of members on, a financial planning and supervision commission established when a political subdivision is declared to be in fiscal emergency.	Same as the House, but specifies that for local governments in fiscal emergency and with populations of at least 1,000, that three members nominated by local government officials be appointed to a financial planning and supervision commission established for that local government, thereby returning to the current-law size of seven members.
(3) No provision.	(2) Requires that the Auditor of State, rather than a financial planning and supervision commission as under current law, serve as the financial supervisor for villages or townships with a population of less than 2,500 that are in fiscal emergency.	Same as the House, but decreases the population threshold from 2,500 to 1,000.
(4) No provision.	(3) Requires that a political subdivision's financial plan include a five-year forecast reflecting the effects of the actions specified in the plan and that the plan be updated annually.	Same as the House.
(5) No provision.	(4) Requires that, upon certification of the commission, all state funding for a political subdivision (except for benefit assistance to individuals) that fails to submit a financial plan, or fails to substantially comply with it, be escrowed until a plan is submitted or compliance is achieved.	Same as the House.
(6) No provision.	(5) Permits a commission to limit expenditures from any political subdivision fund if deemed prudent, instead of just general fund expenditures.	Same as the House.

(7) No provision.	(6) Provides for the dissolution of political subdivisions that are in fiscal emergency and meet specified conditions.	Same as the House, but removes counties from the provisions dissolving political subdivisions by court action due to fiscal emergency; changes, from two to four, the number of consecutive years that a municipal corporation or township must have been under a fiscal emergency before a court action could be filed to dissolve the subdivision; and specifies new procedures for a court-appointed receiver to follow when dissolving a municipal corporation or township.
(8) No provision.	(7) Specifies that an officer of a political subdivision in fiscal emergency who is convicted of certain violations of current law is ineligible to hold any public office in Ohio or be employed by a public entity in Ohio for seven years after the conviction.	Same as the House.
No provision.	Clarifies that the Auditor of State must be reimbursed for any expenses incurred relating to a fiscal emergency or watch, including technical and support services.	Same as the House, but adds expenses related to fiscal caution to those expenses to be reimbursed.
No provision.	Requires the Controlling Board to provide funds to cover the costs incurred by the Auditor of State relative to a fiscal caution determination.	Same as the House, except allows (instead of requires) the Controlling Board to provide those funds.
No provision.	Clarifies that the Controlling Board must provide sufficient funds if necessary to reimburse the Auditor of State's expenses relating to fiscal watch and emergency.  <b>Fiscal effect: The Auditor of State could incur costs for overseeing political subdivisions in fiscal watch or caution, although these expenses will be reimbursed by the Controlling Board. LOCCD7 Office Space for General Health Districts

R.C. 3709.34, 3709.341

Requires a board of county commissioners to provide office space and utilities to the county's general health district board of health through FY 2011, and to provide payments in FY 2012 through FY 2015 based on specified decreasing proportions of the estimated costs of office space and utilities, with no obligation to provide or make payments for office space and utilities after FY 2015.

Relieves a board of county commissioners of its obligation to provide office space and utilities if the board of health rents, leases, lease-purchases, or acquires office space on its own.

Authorizes a board of county commissioners to donate or sell property, buildings, and furnishings to any board of health of a general or combined health district.

**Fiscal effect: Reduction in costs for boards of county commissioners since they will pay a decreasing portion of costs for office space and utilities through FY 2015 and will not be required to pay any portion after that date. (1) Eliminates the requirement that the multiple-prime contracting method be used for public improvements, but does not prohibit its use.

(1) Same as the Executive.

(1) Replaces the Executive provision with a provision that restores the requirement that the multiple prime delivery method be used for public improvements, but only if the estimated project cost is \$200,000 or more (as opposed to \$50,000 under current law). Restores current law exempting branches of work from the multiple prime contracting requirement if the estimated cost of that branch of work is less than \$20,000 (as opposed to \$5,000 under current law).

(2) Authorizes public authorities, other than the Ohio Turnpike Commission, to enter into public improvement contracts with construction managers at risk (CMARs) and design-build firms (D/B firms), and to enter into public improvement contracts with general contracting firms regardless of the size of the project.

(2) Same as the Executive.

(2) Same as the Executive, but limits general contracting to projects that cost less than \$200,000.

(3) Defines CMAR and prescribes the process that a public authority must use to select a CMAR. Requires a CMAR to provide a surety bond in an amount not less than the combined contract values of any work under contract prior to the establishment of the guaranteed maximum price or in the amount of the guaranteed maximum price. Subjects CMARs to the current drug-free workplace and prompt-pay laws.

R.C. 4115.03, 4115.033, 4115.034, 4115.04, 4115.10, and 4115.16. Repealed: R.C. 4115.032 and 4582.37

(1) Increases the current statutory monetary thresholds for determining when the Prevailing Wage Law applies to public improvements other than roads, sewers, ditches, and other related projects from \$78,258 (the inflation-adjusted statutory baseline threshold of \$50,000) to \$5 million for new construction and from \$23,447 (the inflation-adjusted statutory baseline threshold of \$15,000) to \$5 million for reconstruction. Requires these amounts to be adjusted biennially by the Director of Commerce, as under current law.

(1) Same as the Executive, but reduces the statutory monetary threshold for determining when the Prevailing Wage Law applies to construction and reconstruction on public improvements other than roads, sewers, ditches, and other related works, from \$5 million to \$3.5 million, still to be adjusted biennially by the Director of Commerce.

(1) Same as the House.

(2) Retains the Prevailing Wage Law thresholds at their current, inflation-adjusted levels for roads, sewers, ditches, and other related projects.

(7) Same as the Executive.

(8) Exempts public improvements undertaken by, or under contract for, a port authority created by a municipal corporation, township, or county after 1964 under R.C. 4582.02 or 4582.22 and repeals the prevailing wage requirement that applies to the construction or repair of a port authority facility.

(8) Same as the House.

**Fiscal effect: Uncertain. These provisions could lower the cost of a public improvement project falling under the proposed threshold amounts, but it could be that the savings in labor costs are put toward expanding the scope of the project. A reduction in labor costs could also result in certain tax effects that are difficult to quantify. Finally, the change in (7) above could reduce enforcement costs for the Department's Labor and Wage Section (LAWS) by preventing an interested party filing in court before LAWS has made a determination on the alleged violation.**

Decreases employer contribution rates and increases employee contribution rates paid toward the state's five public retirement systems - the Public Employees Retirement System (PERS), the State Teachers Retirement System (STRS), the School Employees Retirement System (SERS), the Ohio Police and Fire Pension Fund (OP&F), and the Highway Patrol Retirement System (HPRS), by 2% of payroll beginning with pay periods on or after July 1, 2011.

HPRS - Reduces employer contribution rates to 24.5% (from 26.5%) and increases employee contribution rates to 12% (from 10%).

No provision.

No provision.

**Fiscal effect: This provision would decrease state and local public employers' total contributions toward the five retirement systems by about \$532 million per year and increase public employees' contributions by a corresponding amount. It would reduce state contributions by about \$113 million, with \$27 million of this savings being for the state GRF, \$34 million for various state non-GRF funds, and \$52 million for various other entities, such as state universities. Approximately 96% of state employees are members of PERS, 2.5% are members in HPRS, and the remaining 1.5% are in STRS. The provision would decrease local governments' total contributions by about \$419 million.**

**The provision could increase the systems' future liabilities. Even though total contribution rates are kept the same, it would likely increase the systems' liabilities because of the shift in contributions from employers to employees. Currently, employer contributions are not refundable upon the termination of certain employees, but employee contributions are refundable.**

**Fiscal effect: The provision will increase administrative duties and costs related to MHC's oversight of Ohio's roughly 1,800 manufactured homes parks. However, the bill authorizes MHC to adopt licensing fees to offset these costs. These revenues are to be deposited into the Manufactured Homes Commission Regulatory Fund created by the bill, as opposed to the Occupational Licensing and Regulatory Fund (Fund 4K90) which currently supports MHC's operations. **Fiscal effect: See LSC's Bill Analysis for H.B. 153 for a more extensive discussion of these proposed statutory changes. The appropriation for these payments from the Local Government Property Tax Replacement Fund (Fund 7054) is \$16 million for FY 2012 and \$11 million for FY 2013, down from an estimated \$90 million in FY 2011. The reallocation of KWH tax receipts would increase revenue to the GRF by about \$139 million in FY 2012 and \$141 million in FY 2013. The reduction in receipts to Fund 7054 under the proposed formula would be about \$48 million in FY 2012 and FY 2013. The remainder of the increase in GRF revenue would come from the reduction in share to Fund 7053. Also, the bill directs the natural gas distribution tax to the GRF beginning in FY 2012. **Fiscal effect:** See LSC's Bill Analysis for H.B. 153 for a more extensive discussion of these proposed statutory changes. The appropriation for these payments from the Local Government Tangible Property Tax Replacement Fund (Fund 7081) is \$291 million for FY 2012 and \$181 million for FY 2013, down from an estimated \$414 million in FY 2011. The reallocation of CAT receipts would increase revenue to the GRF by about \$289 million in FY 2012 and \$594 million in FY 2013. The reduction in receipts to Fund 7081 under the proposed formula would be about \$32 million in FY 2012 and \$66 million in FY 2013. The remainder of the increase in GRF revenue would come from the reduction in share to Fund 7047. The bill retains the current law provision that the GRF would make up any shortfall in amounts needed to provide school districts and local governments their required reimbursements, though the required reimbursements are phased out more quickly under the proposed changes. The provision that limits the speed with which TPP reimbursements are phased out for any individual jurisdiction to no more than 2% of its total resources in calendar year 2011 and 4% in 2012 makes a statewide calculation of the change in required reimbursement very data intensive. LSC has not yet determined whether GRF transfers will be needed in addition to the amounts appropriated in the bill.

**Fiscal effect:** Same as the Executive except increases tax-loss reimbursements in FY 2014 and thereafter. Revenues to Fund 7081 appear likely to be adequate to cover the required payments.

(1) Reduces Local Government Fund (LGF or Fund 7069) distributions to 75% of FY 2011 levels for the period between August 2011 and June 2012, and reduces distributions to 50% of FY 2011 levels for all months in FY 2013. Provides that distributions after FY 2013 will depend on the total amount allocated to the fund as a percentage of total state tax revenue credited to the General Revenue Fund in FY 2013, instead of the current 3.68% of GRF tax revenue. Provides that allocations among county undivided LGFs and direct municipal payments from August 2011 through June 2013 will be on a pro rata basis based on their respective FY 2011 shares.

(1) Same as the Executive, except guarantees that any county undivided LGF that received less than \$500,000 in FY 2011 will have no reduction in monthly distribution amounts in FY 2012 and FY 2013, and that any county undivided LGF that received over \$500,000 in FY 2011 will receive at least \$500,000 in FY 2012 and FY 2013.

(1) Same as the House, except increases the guarantee amount from \$500,000 to \$750,000, and increases the appropriation to the Local Government Fund by \$50 million in each of FY 2012 and FY 2013. Distributes these amounts first to county undivided local government funds that received less than \$750,000 in FY 2011 and to county undivided local government funds that in the absence of a guarantee amount would receive less than \$750,000 in either FY 2012 or FY 2013, in amounts sufficient to offset reductions below the FY 2011 amounts and below \$750,000, respectively. Distribute the balance of the \$50 million in each year to all county undivided local government funds in proportion to distributions in FY 2011. Clarifies that current permanent law is to govern allocation of money to the Local Government Fund in July 2011.

(2) Reduces distributions from the Public Library Fund (PLF or Fund 7065) for all months between August 2011 and June 2013 to 95% of FY 2011 levels. Provides that allocations among county undivided PLFs from July 2011 through December 2011 are on a pro rata basis based on their respective CY 2010 shares, and from January 2012 through June 2013, based on their respective CY 2011 shares. Provides that distributions after FY 2013 will depend on the total amount allocated to the fund as a percentage of total state tax revenue credited to the General Revenue Fund in

FY 2013, instead of the current 2.22% of GRF tax revenue.		
(3) Provides that, after December 31, 2011, counties would no longer receive 5/8ths of the revenue from the dealers in intangibles tax on unaffiliated dealers, and instead allocates all revenue from that tax to the General Revenue Fund.	(3) Same as the Executive.	(3) Same as the Executive.
(4) Excuses the Tax Commissioner from compliance with existing certification requirements (regarding estimates of revenue to each county undivided LGF and PLF) for the 2012 and 2013 distribution years. Requires instead that the Commissioner send to each county one estimate of the total amount to be received from the Local Government Fund and the Public Library Fund by July 20 of the preceding year. (5) No provision.	(5) No provision.	(5) Establishes a new formula for allocating money to subdivisions from the county undivided local tax funds. Permits deviation from the formula if 75% of the subdivisions in the county agree to an alternative formula. Allocates to each subdivision a base allocation which for the county equals 30% of the amount allocated to the county undivided local government fund, for a metropolitan park district equals 5.5% of this amount, and for all other subdivisions is a three-year rolling average of prior allocations or distributions. Provides for adjustment of allocations if the sum of all base allocations is greater or less than the amount allocated to the county undivided local government fund. Also provides for allocations to subdivisions of amounts received in excess of those originally allocated.

**Fiscal effect:** Reduces transfers from the GRF to Fund 7069 in FY 2012 by about \$172 million compared to current law, to \$526 million. Reduces these transfers in FY 2013 by about \$398 million compared to current law, to \$339 million. Reduces transfers from the GRF to Fund 7065 by about \$75 million in FY 2012 compared to current law, to \$354 million. Reduces these transfers in FY 2013 by about \$102 million compared to current law, to \$345 million. Reduces transfers from the dealers in intangibles tax to counties, allocating these amounts instead to the GRF starting in CY 2012, that totaled about \$13 million in CY 2009. Total gain to the GRF would be about \$254 million in FY 2012 and \$513 million in FY 2013.

**Fiscal effect:** Same as the Executive, except increases appropriation item 110969, Local Government Fund, by \$1 million in FY 2012 and \$2 million in FY 2013. Total gains to the GRF would be reduced by these amounts.

**Fiscal effect:** Same as the House except further increases appropriation item 110969, Local Government Fund, by \$50 million in each of FY 2012 and FY 2013.

TOSCD6 Supplemental School Employee Compensation Deferral Plan

		<b>R.C. 113.42, 113.43, 113.44, 2907.15, and 2921.41</b>
(1) No provision.	(1) No provision.	(1) Authorizes the Treasurer of State to offer a supplemental employee compensation deferral plan to eligible employees of a school district or college. Specifies that the plan is in addition to any retirement or any other benefit program provided by law for employees of the school district or college. Requires the Treasurer to establish eligibility criteria for plan participation and adopt necessary rules related to the plan.
(2) No provision.	(2) No provision.	(2) Provides that the plan may be invested in investments considered appropriate by the Treasurer, including life insurance, annuity contracts, and mutual funds.
(3) No provision.	(3) No provision.	(3) Specifies that the deferred employee compensation under such plan is not included in the computation of federal or state income taxes.

**Fiscal effect: Potential increase in administrative costs for the Treasurer to establish and administer the plan. Potential increase in pension costs if a school district or a college opts to contribute to the supplemental plan on behalf of its participating employees; any such increase would be permissive. Potential reduction in state personal income tax and school district income tax revenue.**
