Surety Bonds for State Elected Office Holders and Other Officials

R.C. 109.06, 111.02, 113.02, 117.03, 121.11

(1) Eliminates the requirement that statewide elected office holders give a surety bond to the state that has been issued by a surety provider approved by the Governor, and instead allows the bond to be issued by any surety provider authorized to do business in the state.

(2) Removes the requirement for the Governor to approve surety and fix the amounts of surety for bonds of cabinet-level department appointees (but maintains the current law's minimum threshold of \$10,000 for such surety bonds). Allows DAS to procure a schedule in addition to a blanket bond from a duly authorized corporate surety provider authorized to do business in the state instead of from any duly authorized corporate surety for such appointees and any other officer the Governor designates.

(3) Removes the current authority for the director of each department, with the Governor's approval, to require any officer or employee in the director's department, to give a surety bond.
