Makes a regional long-term care ombudsperson program the responsible party for the purposes of database reviews and criminal records checks for individuals who are under final consideration for employment with the regional program or employed by the regional program.

Same as the Executive, but changes the reference to "ombudsperson" to "ombudsman."

Revises the law governing database review and criminal records check requirements regarding community-based long-term care services available under programs ODA administers as follows:

Same as the Executive.

(1) Specifies that the requirements apply to a person applying for employment with, or referred by an employment service to, a community-based long-term care provider and, if the ODA Director rules so require, a person employed by (or referred to) such a provider when the person seeks or holds a direct-care position involving (a) in-person contact with one or more consumers or (b) access to one or more consumers' personal property or records.

(1) Same as the Executive.

(2) Makes the requirements applicable to (a) persons under final consideration for employment in a direct-care position with an area agency on aging (AAA), PASSPORT administrative agency (PAA), or subcontractor of community-based long-term care services and (b) persons referred to an AAA, PAA, or subcontractor by an employment service for a direct-care position.

(2) Same as the Executive.

**Executive**

**As Passed by the House**

(3) Permits the ODA Director to adopt rules making the requirements applicable to a person (a) employed in a direct-care position by an AAA, PAA, or subcontractor or (b) working in a direct-care position following referral by an employment service to an AAA, PAA, or subcontractor. No provision.

(3) Same as the Executive.

Provides that the database review and criminal records check requirements for individuals applying for direct-care positions with community-based long-term care services providers do not apply to individuals subject to the criminal records check requirement for individuals applying for direct-care positions with nursing homes, residential care facilities, county or district homes, or other ODH-regulated long-term care facilities.

No provision.

Provides that ODA or the ODA Director's designee may obtain the report of a criminal records check regarding an applicant for a direct-care position with an ODH-regulated long-term care facility if the facility is also a community-based long-term care services provider.

**Fiscal effect: None, assuming the individual applying for employment paid for the actual criminal records check.**

This provision was not in the As Introduced version of the bill, but according to ODA and the Office of Health Transformation, it was scheduled to occur in FY 2014 and FY 2015. According to the Association of Area Agencies on Aging, the increase for other services is estimated to cost \$5.6 million in FY 2014 and \$5.5 million in FY 2015 (\$2.05 million state share each year).
