LOCCD13 Indigent Burials

R.C. 9.15

R.C. 9.15

No provision.

Permits a political subdivision to provide a metal grave marker, instead of a stone or concrete marker, when the political subdivision buries a body that is unclaimed or that is claimed by an indigent person.

Same as the House.

No provision.

Defines an indigent person as a person whose income does not exceed 150% of the federal poverty line for purposes of the continuing requirement that a political subdivision pay to bury or cremate a body that an indigent person has claimed.

Same as the House.

Fiscal effect: Permitting the use of metal grave markers instead of stone or concrete could reduce some indigent burial costs.

Fiscal effect: Same as the House.

LOCCD9 County Recorder Funding for Technology Needs

R.C. 317.321, 305.23, 317.32, and Section 803.150

R.C. 317.321, 305.23, 317.06, and 317.321

No provision.

No provision.

Changes the name of the special fund used by the county recorder for equipment needs to the "county recorder's technology fund." Limits use of the technology fund when paying expenses for personnel to those personnel directly related to imaging and other technological equipment, and requires that the costs a county recorder must incur for training programs and continuing education be paid from the technology fund if one has been established.

No provision.

No provision.

Specifies that if the county recorder's technology fund is created, a county is required to deposit \$14 of a \$28 recordation fee into the fund, rather than the entire \$28 being deposited into the fund for the recorder's use as in current law. (If the fund is not created, the entire \$28 fee is deposited into the county's general fund.)

No provision.

Revises the proposal procedure by which and purposes for which a county recorder may request funding from the board of county commissioners for either (1) the acquisition and maintenance of imaging and other technological equipment, and associated expenses and contract services, or (2) to reserve funds to pay for these costs in the future, by doing the following:

Same as the House, but also allows a county recorder to request funding from the board of county commissioners to use the county recorder's technology fund as a dedicated revenue source to repay debt incurred to purchase imaging or other technological equipment.

No provision.

(1) Increases the maximum dollar amount of specific filing fees that the county recorder may request for funding technology needs from \$7 to \$8 of the total base fee collected for filing certain documents.

(1) Same as the House, but specifies that any such money is placed into the county recorder's technology fund.

are only for a period of one year from the date the funding proposal is approved, rather than up to five years as allowed in current law.

No provision.

(3) Requires the board of county commissioners to approve a funding proposal if the county recorder includes in the proposal estimates of the specific filing fees that will be generated for filing or recording certain documents. (Current law allows a board of county commissioners to reject or modify such funding proposals under certain conditions.)

(3) No provision.

No provision.

(4) Specifies that the funding for technology needs of the county recorder provided by the board of county commissioners does not diminish the board's responsibility to provide funding and personnel necessary for the county recorder to perform the duties of the recorder's office.

(4) No provision.

No provision.

(5) Specifies that a proposal approved by a board of county commissioners under existing RC 317.321 continues in effect for the number of years approved by the board of county commissioners, but also states that a special fund established at the request of the board under that section ceases to exist upon the expiration of the proposal.

(5) Replaces the House provision with a provision specifying that a proposal approved before, and that is in effect on the bill's effective date, continues in effect until January 1, 2019, regardless of the number of years designated in the approved proposal.

No provision.

(6) No provision.

(6) Establishes a four-year window, from October 1, 2013 until October 1, 2017, during which a county recorder may request, each year, an amount, not to exceed \$3, to be credited to the county recorder's technology fund, in addition to the amount approved by the board of county commissioners in a previous proposal described in (5), and requires that this amount be approved if the total amount requested does not exceed the \$8 limit.

No provision.

(7) No provision.

(1) For legislative authorities with six members, those members eligible for election at the next municipal election are to be elected to two-year nonstaggered terms, and all members are to be elected to four-year nonstaggered terms at subsequent municipal elections;

(2) For legislative authorities with five members, if members are first being elected after the reduction to five members, then a number of members that is one less than the number of members that would otherwise be eligible for election at the next regular municipal election, are to be elected to two-year nonstaggered terms. However, in cases where a village is having its election after reducing its members to five, then the number of members eligible for election at that regular municipal election shall be elected to two-year nonstaggered terms. R.C. 3737.883, 3737.02

R.C. 3737.883, 3737.02, 3737.882

(1) Creates the Underground Storage Tank Revolving Loan Program, to be administered by the State Fire Marshal or designee.

(1) Same as the Executive.

(1) Same as the Executive.

(2) Requires that interest-free loans be made under the program to political subdivisions that seek to take action with regard to underground storage tanks when the tanks' owners or operators cannot be identified or cannot pay the costs of the action, provided that the political subdivision spends its own funds equal to at least 5% of the loan amount.

(2) Same as the Executive.

(2) Same as the Executive, but further specifies that the loans are to be used by (1) political subdivisions that are tank owners but not operators, to take corrective actions regarding those tanks, or (2) political subdivisions that are neither tank owners nor operators, for sites of previously existing releases if the owner or operator is either unidentifiable or cannot pay for the corrective action.

(3) Specifies that the loans must be financed through fines and penalties collected by the Bureau of Underground Storage Tanks and loan repayments.

(3) Same as the Executive.

DOHCD23 County Hospital Management

R.C. 339.02, 339.05, 339.06, 339.07

Removes a requirement that county hospital trustees be members of a particular political party, and instead requires them to be representative of the areas served by the hospital.

Authorizes the board of county commissioners to provide a stipend for service on the board of county hospital trustees.

Requires a board of county hospital trustees to hold meetings at least quarterly, rather than once a month.

Authorizes boards of county hospital trustees to adopt bidding procedures and policies for leasing. Exempts from competitive bidding, with a unanimous vote of the board of county hospital trustees, emergency purchases under \$100,000, but requires the board to solicit at least three informal estimates for emergency purchases when the estimated cost is \$50,000 or more, but less than \$100,000.

Requires the board of county hospital trustees to provide for management and control of the county hospital, in addition to government of the hospital, and permits the board of county hospital trustees to delegate its management and control of the county hospital to the hospital administrator through a written delegation.

Authorizes ODH to require general or city health districts to enter into shared services agreements and to reassign substantive authority for mandatory programs from a general or city health district to another general or city health district under certain circumstances.

Same as the Executive.

Same as the Executive, but requires ODH to prepare and offer to boards of health a model contract and memorandum of understanding that are easily adaptable for use by boards when entering into shared services agreements and permits ODH to offer to boards financial and technical assistance to encourage the sharing of services.

Authorizes ODH to require general or city health districts to be accredited as a condition precedent to receiving funding from ODH.

Same as the Executive.

Replaces the Executive provision with a provision that instead requires general and city health districts to apply for accreditation by July 1, 2018, and be accredited by July 1, 2020, by an accreditation body approved by the ODH Director. Requires the ODH Director, by July 1, 2016, to conduct an evaluation of general and city health district preparation for accreditation, including an evaluation of each district's reported public health quality indicators.

Requires the ODMHAS Director, to the extent necessary and after consultation with local boards, to specify the information that must be provided by the local boards to be included in the community behavioral health system or systems.

Same as the Executive.

Same as the Executive, but enables ODMHAS to collect information from service providers and requires the services providers to provide the information. Expands the type of information that can be collected.

Requires local boards to submit a budget and statement of services in addition to a mental health and addiction services plan for approval. Allows ODMHAS to withhold all or part of the funds allocated to a board if all or part of the board's plan, budget, or statement of services is disapproved. Prescribes a procedure that needs to be followed prior to a final decision of disapproval or to withhold funds from a board.

Same as the Executive.

Same as the Executive, but specifies that, of the payments made by the county auditor on behalf of a local board of alcohol, drug addiction, and mental health services, only those payments made from funds distributed to a local board by ODMHAS must be made in compliance with a budget statement submitted pursuant to the local board law.

Requires local boards to enter into a continuity of care agreement with the state institution operating by ODMHAS and designated as the institution serving the district encompassing the board's service district. Requires the agreement to outline ODMHAS' and the board's responsibilities to plan for and coordinate with each other to address the needs of board residents who are patients.

Same as the Executive.

Same as the Executive, but clarifies that continuity of care agreements between local boards and state institutions designated as the institution serving the local board's service district must not be construed as requiring a board of county commissioners to provide resources beyond the total amount set forth in a local board's budget statement.

Requires ODMHAS to provide assistance to any county for the operation of local boards, the provision of local services approved by ODMHAS with the continuum of care, and the provision of approved support functions from funds appropriated for that purpose by the General Assembly.

TAXCD84 Hamilton County Partial Property Tax Exemption for Property in Foreclosure and Tax-Delinquent Property

No provision.

No provision.

R.C. *323.158, 4503.0610, Section 803.250*

Specifies that a homestead against which foreclosure or other action to take possession of the homestead has been initiated may not receive a partial property tax exemption that may otherwise be available to homesteads located in Hamilton County. Also applies to manufactured homes subject to the manufactured home tax.

No provision.

No provision.

Specifies that a homestead listed on a delinquent tax list for failure to pay property tax and related charges may not receive a partial property tax exemption that may otherwise be available to homesteads located in Hamilton County. Also applies to manufactured homes subject to the manufactured home tax.

Fiscal effect: Removing a partial property tax exemption will increase property tax revenues for taxing jurisdictions in Hamilton County. Under continuing law, the percentage of exempted value is fixed and may be adjusted by the county. Hamilton County is the only county that offers such a partial exemption by virtue of authority granted in 1996, when the county's voters approved a "piggyback" sales and use tax for any of several specified purposes, including constructing a major league sports facility.

Fiscal effect: The \$25,000 fee could offset some of the cost that taxing units might incur for horizontal wells within their jurisdiction. However, taxing units that receive any portion of the fee are required to repay those amounts by reducing the well owners' property tax liabilities.

TAXCD70 Township Use of Motor Fuel Tax Revenue

No provision.

No provision.

R.C. 5735.27, Section 803.240

Allows a township to use its distribution of motor fuel tax revenue to service bonds issued to pay for the purchase of road machinery and equipment or the planning, construction, and maintenance of buildings that house such equipment. (Under current law, a township may use motor fuel tax receipts directly to purchase such equipment or to plan, construct, and maintain such a building, but may not use the receipts to service bonds that were issued to pay for such projects.)

Fiscal effect: None.

TAXCD83 School District Motor Fuel Tax Reimbursement

No provision.

No provision.

R.C. 5735.142, Sections 803.260, 815.10

Increases the motor fuel tax reimbursement for city, exempted village, joint vocational, and local school districts and educational service centers for motor fuel purchased and used for school district and service center operations from 6¢ per gallon to 10¢ per gallon. (Under continuing law, the overall motor fuel tax rate is 28¢ per gallon.)

Executive

DOTCD37 Vehicle Weight Limits

R.C. 5577.04, 4513.34

R.C. 4513.34

(1) No provision.

(1) Increases the maximum overall gross vehicle weight on roads that are part of the state highway system and that are not interstate freeways from 80,000 pounds to 90,000 pounds, but retains the maximum overall gross vehicle weight of 80,000 pounds for interstates and other roads that are not part of the state highway system, including county and township roads.

(1) No provision.

(2) No provision.

(2) Requires the Director of Transportation and local authorities, for highways within their respective jurisdictions, to establish and issue special regional heavy hauling permits for vehicles (1) that exceed legal maximum weight or load limits or are otherwise not in conformity with certain motor vehicle and traffic laws; (2) on any highway except those highways with a condition insufficient to bear the weight of the vehicle or combination of vehicles; (3) making regional trips at distances of 150 miles or less from a facility stated on the application as the applicant's point of origin.

(2) No provision.

(3) No provision.

(3) Specifies that the issuance of a special regional heavy hauling permit is subject to the payment of a fee charged by the Director of Transportation or applicable local authority.

(3) No provision.

(4) No provision.

(4) Allows the operation of an overweight or oversize vehicle for a distance of two miles from the Ohio Turnpike without a special permit issued by the Director or a local authority if the vehicle was able to operate on the Turnpike without a special permit. Authorizes the Director or a local authority to prohibit operation of a vehicle or combination of vehicles on any highway within two miles or less of the Turnpike if the

highway condition is insufficient to bear the vehicles' weight.
 (5) Revises the penalty related to an overweight or oversize special permit to specifically prohibit the operation in violation of the terms of a permit relative to (1) gross load limits; (2) axle load by more than 2,000 pounds per axle or group of axles; (3) an approved route except upon order of a law enforcement officer.

(5) No provision.

(6) No provision.

(6) Specifies that a separate violation of the motor vehicle and traffic laws by a person operating a vehicle or combination of vehicles under an overweight or oversize special permit does not invalidate the operation in accordance with the terms and conditions of the permit.

(6) Same as the House.

Fiscal effect: Fee revenues collected by the Highway Operating Fund (Fund 7002) or local governments for oversize/overweight vehicle permits may be reduced as a result of the increase in the maximum allowable weight. However, this may be offset to some extent by fees charged for special regional heavy hauling permits established under the bill.

Fiscal effect: None.

DOTCD57 Transportation Improvement District Agreements with Adjacent Counties

No provision.

No provision.

R.C. 5540.03, 5540.18

Authorizes a Transportation Improvement District (TID) to enter into an agreement and undertake a project that is located wholly or partially in a contiguous county other than the county that created the TID and authorizes a board of county commissioners that did not create the TID to enter into such an agreement with a contiguous TID if the board of county commissioners that created the TID also enters into the agreement. Specifies that a TID is not prohibited from undertaking a project in a county that did not create the TID if it is undertaking a project with one or more other TIDs.

DOTCD58 County Bridge Program

No provision.

No provision.

Section: 755.10

Requires the Director of Transportation, within 90 days, to establish a county bridge program to assist counties with the maintenance of bridges with monetary or other resources to address infrastructure needs related to county-maintained bridges, including bridge embankments, drainage bridge repair, and other conditions; allows the Director to consult with affected political subdivisions in developing the program; and, requires the Director to notify affected political subdivisions in an appropriate manner when the program is established.

Fiscal effect: The Highway Operating Fund (Fund 7002) could incur some additional costs for county bridge projects under the program developed by ODOT.

TOSCD6 Investments of State Interim Funds, County Inactive Moneys, and Public Library Fund Money

No provision.

No provision.

R.C. 135.143, 135.35

Modifies the classifications of obligations in which the Treasurer of State may invest or execute transactions for any part or all of the interim funds of the state to include investments in notes and obligations issued by the Ohio Water Development Authority and the Ohio Turnpike and Infrastructure Commission, and certain highly-rated bonds, notes, and other obligations issued by any state or political subdivision that are purchased through a recognized securities dealer.

No provision.

No provision.

Increases the 25% limit on the amount of state interim funds, as a percentage of the state's total average portfolio, that may be invested in certain forms of commercial paper to up to 40%. Modifies a limit in current law on investment of interim funds in debt interests of a single issuer, currently 0.5% of the state's portfolio, to 5% when added to investment in commercial paper. Removes the 1% limitation on investment of state interim funds in debt interests of a single issuer that is a foreign nation.

No provision.

No provision.

Extends the allowable maturity for securities and obligations in which a county investment authority may invest its inactive and public library fund money from five to ten years from the settlement date. Allows a county investment authority, upon a majority vote of the county's investment advisory committee, to invest up to 25% of a county's total average portfolio of inactive and public library fund money in securities and obligations with a maturity greater than ten years from the date of settlement.

BWCCD6 Taxing District Employer Participation in the One Claim Program

R.C. 4123.29

Permits a state fund taxing district employer to participate in the BWC One Claim Program, under which an employer may mitigate the impact of a significant claim that would be a contributing factor in the taxing district employer being excluded from a group rated plan.

No provision.

No provision.

Fiscal effect: Only private, state fund employers that are group rated may currently participate in the One Claim Program. Allowing taxing district employers to participate could allow them to maintain the discounted premium of the group rated plan after having a significant claim which would otherwise disqualify them from participating in the group rating plan.

BWCCD9 Self-Insured Public Employer Actuarial Reports

R.C. 4123.353

Eliminates the current law requirement that most self-insuring public employers must have prepared an actuarial report certifying whether the reserved funds required under continuing law are sufficient to cover the costs the public employer may potentially incur to remain in compliance with Ohio's Workers' Compensation Law, are computed in accordance with accepted loss reserving standards, and are fairly stated in accordance with sound loss reserving principles

No provision.

No provision.

Fiscal effect: Eliminates the costs self-insured public employers incur for preparing annual actuarial reports.
