Modifies the required size of the Department of Youth Services Release Authority to a minimum of three but not more than five members (modifies an ambiguity in current law making it uncertain as to whether the Release Authority consists of five or six members).

Fiscal effect: Potential minimal savings effect.

DASCD34 Excess and surplus supplies

R.C. 125.13, 5139.03

(1) When providing DAS with the list of excess and surplus supplies, requires state agencies to include the supplies' location and whether the agency has control of the supplies instead of an appraised value of the supplies.

(2) Clarifies that the Director must take control of and make arrangements for the disposition of excess and surplus supplies upon notification and at no cost to the state agency.

(3) Specifies that this requirement does not apply to excess or surplus supplies that are part of an approved interagency transfer or that are donated food.

(4) Requires the Director to post on a public web site a list of the excess and surplus supplies available for acquisition, and prohibits the Director from charging a fee for the collection or transportation of excess and surplus supplies.

(5) Removes the requirement that the Director dispose of excess and surplus supplies in a specific order prioritizing certain recipients of the supplies over others.

(6) Permits the Director to dispose of excess and surplus supplies by interagency trade or to a 501 (c)(3) nonprofit organization that also receives state funds or has a state contract.

(7) Eliminates the prohibition that state assisted institutions of higher education, tax supported agencies, political subdivisions, private fire companies, or nonprofit emergency medical service organizations cannot convey excess or surplus supplies acquired from the state to private entities or the general public at a price greater than the price it originally paid.

(8) Allows excess and surplus supplies of food to be donated directly to nonprofit food pantries and institutions without notification to the Director.

(9) Removes the exemption that allows the Department of Youth services (DYS) to transfer its excess or surplus supplies to a community corrections facility, but retain ownership of the supplies.

Fiscal effect: Potentially results in decreased costs for state agencies in general and DAS in particular. Additionally, state institutions of higher education, tax supported agencies, and political subdivisions could potentially offset a portion of their supplies costs if they are able to sell excess and surplus supplies they acquired from the state at a price greater than they paid.
