

The bill also permits a township composed of islands to pass a levy to acquire park land. This is in addition to the current permitted use of using levy funds to maintain a park. This provision would affect only the township of Put-in-Bay. If the township trustees of Put-in-Bay choose to pass a resolution for a levy they would have to follow certain procedures when putting the levy on the ballot. The passage of the permitted levy would result in increased revenue to the township.
