
Detailed Fiscal Analysis

The bill corrects inadvertent omissions from Am. Sub. H.B. 210, the transportation budget act, which were not included in the Senate Highways & Transportation Committee report. The only provision with a fiscal effect continues a current program in which ODOT leases state lands for billboards. The annual amount generated is about \$12,000.

Provisions with no fiscal effects are as follows:

- A church bus that was previously a school bus may retain its paint color (school bus yellow);
- ODOT districts are required to maintain the rest area coffee break program for those organizations that obtained a permit prior to January 1, 1997; and,
- Permits persons to possess alcohol (not purchases on the premises) at a music festival on specific premises for which there has been issued an F permit (temporary permit).

The bill also contains an emergency provision.
