Detailed Fiscal Analysis

The bill creates a consolidated reference to Revised Code sections that establish court costs and fees, other than attorney fees, in Ohio's courts of record (Supreme Court, courts of appeals, Court of Claims, courts of common pleas, municipal and county courts). This Revised Code consolidation will not affect those courts' caseloads, operating costs, or revenue collections. Therefore, the bill will have no direct fiscal effect on the state or any of its political subdivisions.

The bill consolidates Revised Code references to the costs, expenses, or fees of receivers in a separate section. The bill does not amend any of these sections that provide for the appointment, costs, or expenses of receivers and therefore has no fiscal impact on these entities.
