- No direct fiscal effect on political subdivisions.

Detailed Fiscal Analysis

The bill creates a consolidated reference to Revised Code sections that establish court costs and fees, other than attorney fees, in Ohio's courts of record (Supreme Court, courts of appeals, Court of Claims, courts of common pleas, municipal and county courts). This Revised Code consolidation will not affect those courts' caseloads, operating costs, or revenue collections. Therefore, the bill will have no direct fiscal effect on the state or any of its political subdivisions.
