Detailed Fiscal Analysis

The bill makes two changes related to H.B. 143 of the 129th General Assembly, which enacted certain requirements related to youth concussions and head injuries that apply to schools and youth sports organizations. First, it corrects a cross reference in R.C. 3707.48 to clarify that youth sports organizations, as well as any coach, referee, or official of an organization, are not subject to certain criminal penalties for failure to comply with provisions from H.B. 143. Second, it modifies existing references to an "organization that regulates interscholastic conferences or events" with an "organization that regulates interscholastic athletic competition and conducts interscholastic athletic events."
