Contents: Designates the first week of October as "Forest Products Awareness Week"

State Fiscal Highlights

- No direct fiscal effect on the state.

Local Fiscal Highlights

- No direct fiscal effect on political subdivisions.
-

Detailed Fiscal Analysis

The bill designates the first week of October as "Forest Products Awareness Week" in order to educate the public about, increase awareness of, and recognize the important contributions of the state's forests and forest product industry to Ohio, and the industry's stewardship of the state's forest resources. The bill requires no action by the state or political subdivisions; therefore, there is no fiscal impact associated with this designation.
