### Detailed Fiscal Analysis

The bill permits a person to present proof of financial responsibility (insurance) to the Registrar of Motor Vehicles, a peace officer, a traffic violations bureau, or a court through use of an electronic wireless communications device. This provision in effect codifies a related rule that the Department of Public Safety amended effective July 24, 2014, that permits proof of financial responsibility by electronic means. Thus, the bill will have no direct fiscal effect on the state or any of its political subdivisions.
