### Detailed Fiscal Analysis

The bill designates a portion of Interstate 71 in the city of Cleveland, extending between Interstate 480 and the interchange of Interstate 71 and West 100 15th Street, as the Specialist Angel L. Lopez Memorial Highway. When a highway is designated as a memorial, the policy of the Ohio Department of Transportation (ODOT) is to install a memorial marker in a rest area, scenic overlook, recreational area, or along the highway at a suitable location. Two markers are usually installed, one in each direction at each location. According to ODOT, the costs of installing signs for memorial highways are approximately \$350 to \$400 per sign, including materials and labor. Once a set of signs is installed, typically there are no maintenance costs unless the signs are knocked down or damaged. Signs are usually in need of replacement every 12 to 15 years.
