**CSRCD1                    Change in Capitol Square Review and Advisory Board (CSRAB) Membership**

**R.C.            105.41, Section 701.10.30**

Replaces the current member of the CSRAB who represents the Ohio Building Authority (OBA) with a member who represents the Department of Administrative Services (DAS). Specifies that the representative of OBA will continue to serve on the Board until the expiration of the member's current term, at which point the Governor is required to appoint the member representing DAS.

**R.C.            105.41, Section 701.10.30**

Same as the Executive.

**CSRCD2                    Holocaust Memorial on Capitol Square Grounds**

**Section:    701.10.20**

Requires CSRAB to designate a place on the Statehouse grounds for the construction of a memorial to the victims of the European Holocaust and to the Ohioans who participated in the liberation of death camps during World War II. Requires CSRAB to invite, accept, and evaluate proposals for the memorial, and to select a design from among the proposals received.

Requires the planning, design, and construction of the memorial to be paid for using only private funds, and creates the Capitol Square Holocaust Memorial Fund as a custodial fund outside the state treasury to receive donations and investment earnings for this purpose. Requires CSRAB to maintain a thorough and accurate accounting of expenditures from the fund, and specifies that such accounts are a public record. Specifies that the only costs to be paid for with public funds are the costs of site preparation, utility placement, and other preliminary

construction activities.

**Fiscal effect: If CSRAB incurs any costs for site preparation, utility placement, and other preliminary construction costs for the memorial, these would be paid for out of CSRAB's state-appropriated capital budget. All other costs would be supported by private donations to the Capitol Square Holocaust Memorial Fund, which is created as a custodial fund outside the state treasury and which will not receive appropriations from the General Assembly.**

**Fiscal effect: Same as the Executive.**
