Supplemental Tax-Sheltered Annuities Offered by Institutions of Higher Education and School Districts

No provision.

R.C. 9.91

Provides that supplemental tax-sheltered annuities offered by the governing board of a public institution of higher education or the board of education of a school district to the board's employees may be offered through the board's choice of:

- (1) a provider selected through a competitive bidding process;
- (2) providers authorized under current law to provide investment options under an alternative retirement plan (ARP) offered by a public institution of higher education (Currently, the Superintendent of Insurance must designate at least three entities to provide ARPs for public institutions of higher education); or
- (3) as provided under current law, a provider designated by an employee.

No provision.

Requires the Ohio Board of Regents to develop a standardized plan document to be used when a governing board selects a provider authorized to provide investment options under an ARP as the provider of the employees' supplemental tax-sheltered annuity.

Fiscal effect: Possible increase in administrative costs for BOR to develop a standardized plan document.
