BWCCD1 Publishing of Rules and Orders Electronically Upon Request**R.C. 4121.18, (Repealed), 4121.30, 4123.20**

Requires the Administrator of Workers' Compensation to make available electronically the joint rules governing the operating procedures of the Bureau of Workers' Compensation and the Industrial Commission, rather than making those rules available in a single printed publication as under current law.

Eliminates the requirement that the Administrator maintain a mailing list of persons who have requested copies of the rules.

Requires the Administrator to make available electronically upon request the classifications, rates, rules, and rules of procedure of the Bureau and Commission.

BWCCD3

Cost Allocation of Workers' Compensation Premium Payments Owed to the Public Insurance Fund

R.C. 4123.41

Allows the legislative body of a county, district, district activity, or institution to engage in cost allocation for required premium contributions as well as direct and indirect costs related to the administration of workers' compensation.

Fiscal effect: There is no apparent net effect on premium amounts and administrative assessments owed to BWC as a result of this provision. But depending on how counties implement cost allocation plans under this provision, there could be higher charges against some county funds and lower amounts against others.

No provision. Included in H.B. 509.
