CSRCD1 Change in Capitol Square Review and Advisory Board Membership

R.C. 105.41, Section 701.10.30

Replaces the current member of the thirteen-member Board who represents the Ohio Building Authority (OBA) with a member who represents the Department of Administrative Services (DAS). Specifies that the representative of OBA will continue to serve on the Board until the expiration of the member's current term, at which point the Governor is required to appoint the member representing DAS.

R.C. 105.41

Replaces the Executive provision with a provision that removes the member representing OBA altogether, thereby reducing the number of people serving on the Board from thirteen as under current law to twelve.

Fiscal effect: Potential small reduction in reimbursement expenses incurred by the Board.

Requires CSRAB to invite, accept, and evaluate proposals for the memorial, and to select a design from among the proposals received.

No provision. A related provision was enacted in S.B. 312.

Requires the planning, design, and construction of the memorial to be paid for using only private funds, and creates the Capitol Square Holocaust Memorial Fund as a custodial fund outside the state treasury to receive donations and investment earnings for this purpose. that such accounts are a public record. Specifies that the only costs to be paid for with public funds are the costs of site preparation, utility placement, and other preliminary construction activities.

Fiscal effect: If CSRAB incurs any costs for site preparation, utility placement, and other preliminary construction costs for the memorial, these would be paid for out of CSRAB's state-appropriated capital budget. All other costs would be supported by private donations to the Capitol Square Holocaust Memorial Fund, which is created as a custodial fund outside the state treasury and which will not receive appropriations from the General Assembly.
