DOHCD3 Informed Consent Brochures Published on ODH's Web Site

R.C. 2317.56

Requires ODH to publish materials that inform a pregnant woman seeking an abortion about family planning, pregnancy and childbirth assistance, adoption agencies, and probable anatomical and physiological characteristics of the zygote, blastocyte, embryo, or fetus at certain points during the pregnancy on ODH's web site.

Eliminates ODH's duty to produce more than one copy of the materials described above to any person, hospital, physician, or medical facility that requests more than one copy.

Eliminates the affirmative defense available to a physician or agent of the physician in a civil action that the physician or agent of the physician requested hard copies of the materials from ODH and ODH failed to produce them.

Fiscal effect: Potential decrease in costs of approximately \$10,000 to ODH related to the printing and distribution of materials.

R.C. *3702.51, 3702.511, 3702.52, 3702.526, and 3702.527, Repealed: 3702.521, 3702.5210 - 3702.5212, 3702.5123, 3702.58, and 3702.591, Renumbers various sections in Chapter 3702., and Makes conforming changes in various sections*

Modifies the certificate of need (CON) law to reflect current practices and clarify certain provisions. Makes various changes to CON law including the following:

With respect to a CON application, specifies that (1) the application fee is nonrefundable unless the ODH Director determines that the application cannot be accepted and (2) the ODH Director's determination that a CON application is not complete is final and not subject to appeal.

Eliminates a provision allowing, and in some cases, requiring, a community public informational hearing on a CON application. Eliminates a requirement that the ODH Director invite interested parties to a meeting requested by one or more people about a CON application. Requires the ODH Director to consider all written comments received regarding a CON application, but eliminates the requirement that a hearing be conducted when written comments are received.

Eliminates requirements that the ODH Director regularly conduct health system data collection and analysis for the CON Program and that the ODH Director issue and annually review a state health resources plan. Eliminates the requirement that the Public Health Council is to authorize the creation of one or more nursing home

placement clearing houses. Eliminates the requirement that the ODH Director designate health service areas and health service agencies for each area and all requirements related to health service areas and agencies.

Provides that the ODH Director's determination that a CON has expired is final and not subject to appeal.

Modifies the process for reviewing applications for replacement or relocation of long-term beds from a county with excess beds to a county with fewer beds than needed. Modifies requirements for the review of applications for an increase in beds in an existing nursing home to limit the increase to a total of no more than 30 beds for all applications combined. Requires the ODH Director to accept applications for replacement CONs under certain conditions.

Fiscal effect: Potential minimal decrease in administrative costs relating to the CON Program. There is an application fee charged for CON applications, so the program is paid for with these fee revenues.

Repeals a law that makes an ICF/MR subject to licensure by the Department of Health as a nursing home rather than by ODODD as a residential facility if the ICF/MR was certified before June 30, 1987, or had an application to convert intermediate care facility beds to ICF/MR beds pending on that date.

Requires a person or government agency that is operating an ICF/MR pursuant to a nursing home license to do the following as a condition of continuing to operate the ICF/MR on and after July 1, 2013:

(1) Apply to the ODODD Director for a residential facility license not later than February 1, 2013.

(2) Obtain the residential facility license not later than July 1, 2013.

Fiscal effect: Potential increase in administrative costs for ODODD to license additional ICF/MR beds and a negligible gain of license revenue. Corresponding potential decrease in administrative costs for the Department of Health and negligible loss of license revenue.

- (1) Transfers authority over the licensure and inspection of manufactured home parks from the Public Health Council (Department of Health) to the Manufactured Homes Commission.
- (2) Replaces the member of the Commission that represents the Department of Health with a member who is a registered sanitarian, has experience with the regulation of manufactured homes, and is an employee of a health district.
- (3) Specifies a procedure for the Commission to follow when a person violates manufactured homes law.
- (4) Makes a violation of the regulation of manufactured homes parks a fourth degree misdemeanor.
- (5) Creates the Manufactured Homes Commission Regulatory Fund and requires licensing fees and certain other fees to be deposited into the fund.
- (6) Allows boards of health to transfer prior manufactured home park licensing and inspection fees in the amount of \$2,000 or less to the general fund of the local board of health and requires funds in excess of \$2,000 to be transferred to the Manufactured Homes Commission Regulatory Fund.

R.C. 4781.01, Renumbers various existing sections under Chapter 3733. under Chapter 4781.; Sections 747.10.10, 747.10.20, 747.10.30; Repealed: 3733.01, 3733.031
