Physician Assistant Prescriptive Authority

R.C. 3719.06, 4730.06, 4730.38 to 4730.42,
4730.401 (Repealed)

No provision.

Eliminates the requirement that the State Medical Board adopt and modify through rulemaking procedures the formulary that identifies the drugs that a physician assistant may be authorized to prescribe.

No provision.

Authorizes the Board to make changes to the physician assistant formulary every six (as opposed to every 12) months.

No provision.

Repeals an obsolete provision specifying that the formulary established by the Board of Nursing for advanced practice nurses would constitute, with the exclusion of schedule II controlled substances, the formulary for physician assistants.

No provision.

Eliminates a prohibition on physician assistants prescribing to patients schedule II controlled substances, but limits the locations from which such substances may be prescribed without restrictions.

No provision.

Prohibits a physician assistant from prescribing any schedule II controlled substance to a patient in a convenience care clinic.

Fiscal effect: Potential minimal decrease in administrative costs.

Certificates of Conceded Eminence

No provision.

R.C. *4731.297*

Requires that the State Medical Board issue to an applicant who meets specified requirements a certificate of conceded eminence authorizing the practice of medicine and surgery or osteopathic medicine and surgery as part of the applicant's employment with an academic medical center.

No provision.

Provides that a certificate of conceded eminence is generally valid for two years and may be renewed for an unlimited number of additional two-year periods.

Fiscal effect: Potential negligible increase in administrative costs to issue the certificate. Potential negligible gain in certificate revenue.
