BORCD6 Supplemental Tax-Sheltered Annuities Offered by Institutions of Higher Education and School Districts

R.C. 9.90, 9.91

No provision.

Provides that supplemental tax-sheltered annuities offered by the governing board of a public institution of higher education or the board of education of a school district to the board's employees may be offered through the board's choice of:

(1) a provider selected through a competitive bidding process established by the board, rather than the competitive bidding process established under current law;

(2) providers authorized under current law to provide investment options under an alternative retirement plan (ARP) offered by a public institution of higher education (Currently, the Superintendent of Insurance must designate at least three entities to provide ARPs for public institutions of higher education); or

(3) as provided under current law, a provider designated by an employee. Permits a board to require an employee who has designated a provider to select a new provider from vendors selected by the board, subject to any existing contract.

No provision.

No provision.

Allows the Ohio Board of Regents to develop a standardized plan document to be used when a governing board selects a provider authorized to provide investment options under an ARP as the provider of the employees' supplemental tax-sheltered annuity, and allows boards to charge the providers fees to cover administrative and marketing expenses.

No provision.

No provision.

Provides that the supplemental annuities offered by the governing board of a public institution of higher education or the board of education of a school district are annuities
