No provision.

R.C. *127.163, 127.164*

Requires a state agency, as part of a request to the Controlling Board to approve the making of a purchase, to: (1) provide certain information about any proposed supplier that is not headquartered in Ohio or any supplier, subcontractor, or entity intended to be used by the supplier, and (2) contact each Ohio entity the agency approached to fulfill a purchase or to whom the agency sent a request for proposals but did not respond and ascertain why the entity did not respond.

Fiscal effect: This additional work in the preparation of Controlling Board requests may create a negligible increase in administrative costs for certain state agencies.
