Fiscal effect: The required filing fee will generate up to \$37,000 or more annually for deposit to the credit of the Ohio Ethics Commission Fund (Fund 4M60). The Commission's annual cost to administer the related financial disclosure statements, primarily in the form of personnel, may run as high as \$90,000. Due to unexpected savings in its available appropriations, the Commission expects to absorb these additional costs within its current operating budget.
