Occupational Therapy, Physical Therapy, and Athletic Trainers Board

- The Board received no funding in FY 2007 and will be absorbed into the Department of Health that year.
- The Board licensed 17,803 in FY 2004, a 2.36% increase over FY 2003. Based on past trends, the Board anticipates licensing up to 20,000 per year by FY 2007.

OVERVIEW

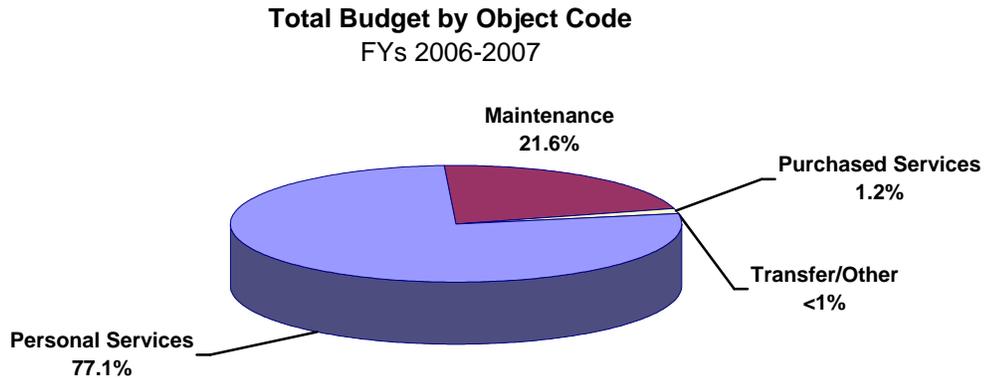

The Occupational Therapy, Physical Therapy, and Athletic Trainers Board is part of the 4K9 Fund group. The 4K9 Fund (Occupational Licensing and Regulatory Fund) is a General Services Fund that is a repository for license fees and other assessments collected by the state's professional and occupational licensing boards. The 4K9 Fund was established by Am. Sub. H.B. 152 of the 120th General Assembly. Prior to the creation of the fund, appropriations for each licensing board were made from the GRF. This created some problems as some boards contributed more revenues than they expended and others had to be subsidized by the GRF since the revenues generated did not meet their expenditures. The 4K9 Fund eliminated these problems. The philosophy of the fund is that each board must generate enough revenues to cover their expenses. It is also quite common for the boards to develop a surplus in the fund to cover unforeseen economic hardships.

In 1976, the 111th General Assembly established the Occupational Therapists Board. Chapter 4755. of the Revised Code was amended in 1977 to include the regulation of physical therapists, which until then had been regulated by the State Medical Board. Athletic trainers were added to the Board's scope with the enactment of S.B. 80 in 1990. Today, the Board operates as a consolidated board with sections of the Board regulating each profession and a consolidated administrative staff. The Occupational Therapy, Physical Therapy, and Athletic Trainers Board (OTPTAT) is empowered to license each discipline through examination, hold hearings, subpoena witnesses, and take other actions to address complaints about licensees' performance of professional duties. The Board also inspects the practices of licensees and certifies continuing education requirements.

The Occupational Therapy, Physical Therapy, and Athletic Trainers Board oversees the licensing and regulation of over 17,000 professionals. The Board renews its licenses on a biennial basis. Revenues and expenditures for the Board for the FY 2003-2004 renewal cycle totaled \$1,903,010 and \$1,492,242, respectively. The Board contributed \$410,768 more to Fund 4K9 than it expended in the FY 2003-2004 renewal cycle.

Governor's Recommendations

Under the Governor's recommendations, the Board will receive \$824,057 in FY 2006 and \$0 in FY 2007. In FY 2007, the Executive recommends that the 27 independent occupational licensing boards be absorbed into the departments of Health, Commerce, and Public Safety. As such, the Executive recommended no funding in FY 2007 for the boards. In the case of the Occupational Therapy, Physical Therapy, and Athletic Trainers Board, the Board and its duties will be absorbed into the Department of Health. The specifics of this transfer will be addressed during FY 2006 by a task force consisting of the departments of Commerce, Health, Public Safety, and Administrative Services, the Office of Budget and Management (OBM), and the Governor's Office. According to OBM, current staff will be retained through FY 2006 and a hiring freeze and early retirement incentives will be offered to regulatory board staff. Effective July 1, 2006, all remaining regulatory board staff will be transferred to the relevant agency. Board members will be retained.

Staffing Levels

The Occupational Therapy, Physical Therapy, and Athletic Trainers Board consists of three separate boards that meet jointly three times per year. The OTPTAT Board budget funds 20 Board members whose salaries and reimbursement expenses are included in the agency's appropriation. Board members are budgeted for 96 hours per fiscal year.

*In FY 2007, the 27 occupational licensing boards will be consolidated into various agencies. According to OBM, current staff will be retained through FY 2006. However, it is expected that some staff reductions will occur as a result of the implementation of a hiring freeze and early retirement incentive. Remaining staff will be transferred to the Department of Health in FY 2007. Board members will be retained.

ANALYSIS OF EXECUTIVE PROPOSAL

Occupational Therapy, Physical Therapy, and Athletic Trainers Board

Purpose: The OTPTAT Board regulates the professions of occupational therapy, physical therapy, and athletic training to promote and protect the health of Ohio's citizens. The Board issues licenses to qualified applicants and renews licenses of existing practitioners. The Board also investigates complaints of practice against licensees and unlicensed practitioners.

The following table shows the line items that are used to fund the Occupational Therapy, Physical Therapy, and Athletic Trainers Board program series, as well as the Governor's recommended funding levels.

Fund	ALI	Title	FY 2006	FY 2007
