Introduction

Overview

The Ohio Legislative Service Commission (LSC) produces the *State Spending by County* report annually to show the distribution of state funds among Ohio's 88 counties. The FY 2009 edition of the report shows the state funds¹ disbursed by 39 state agencies for programs and projects in each county from July 1, 2008 through June 30, 2009. This report focuses on state funds disbursed to counties and does not include all state expenditures. For example, the operating expenditures of state agencies are excluded from this report.

For this report, spending is divided into two categories: subsidies and capital disbursements. The subsidy category consists primarily of (a) moneys distributed to political subdivisions to offset or supplement a portion of the costs of certain services, (b) funding for educational institutions, (c) state payments to Medicaid providers and for other public assistance programs, and (d) loans or grants to various entities for economic development. The capital category contains disbursements for the acquisition, addition, or improvement of fixed assets such as land, buildings, and infrastructure.

The report classifies state subsidy and capital disbursements into six categories based on agency functions. These categories are (1) Education, (2) General Government, (3) Health & Human Services, (4) Justice & Corrections, (5) Revenue Distribution, and (6) Transportation & Infrastructure. Spending reported under Revenue Distribution consists of state tax revenues and other receipts distributed to local governments according to statutory formulas.

This report is divided into two sections. The first section summarizes agencies' FY 2009 spending by county. It includes tables showing total and per capita spending and rankings by county, as well as a map of per capita spending by county. Per capita spending amounts are based on the U.S. Census Bureau's 2007 population estimates for each county. Also included in the first section is a table showing statewide spending by functional category. The second section consists of 88 tables detailing the FY 2009 spending for each county. Each table breaks the spending data into subsidy and capital disbursement components and presents the data by agency in each functional category. Counties are listed alphabetically.

The *State Spending by County* report may also be viewed on LSC's web site at <http://www.lsc.state.oh.us> by clicking on "Publications" and then "Annual and Biennial Reports." In addition, hard copies of this report are available for \$6.50 per copy: \$3.00 for copying and materials and \$3.50 for shipping. To order copies, please call the LSC Library at (614) 466-5312.

¹ State funds include federal dollars that are first deposited into the state treasury for Medicaid and other public assistance programs.

Summary of FY 2009 Spending

In FY 2009, the state disbursed approximately \$30.28 billion in subsidies and capital funds for programs and projects in Ohio's 88 counties. Of this amount, about 91.1% (\$27.60 billion) fell into the subsidy category and 8.9% (\$2.69 billion) was in the form of expenditures for capital improvement projects. The chart below displays each functional category's share of state spending in FY 2009. Education at 43.3% (\$13.11 billion) and Health & Human Services at 40.7% (\$12.33 billion) account for the lion's share of total state spending. Revenue Distribution ranks third at 7.4% (\$2.24 billion), followed by Transportation & Infrastructure at 2.7% (\$1.19 billion), Justice & Corrections at 2.7% (\$816.4 million), and General Government at 2.0% (\$590.8 million).
