On Thursday, August 26, 2010, the following inquiry was submitted with respect to the August 23, 2010, Request for Proposals for the online Ohio Revised Code and Ohio Administrative Code:

Text :

After reading the RFQ I noticed that you don't ask for a cost to be submitted anywhere. I assume this is a fixed bid but can't tell for sure because you don't ask for the cost, only mentions that cost will be factored in.

The following response was transmitted through the DAS website on Monday, August 30, 2010:

The RFP presumes that offerors will submit a fixed-bid price as part of the proposal. Other types of pricing proposals, such as time-and-materials pricing, for example, would prove difficult to evaluate.

Sincerely,
James W. Kelly, Deputy Director
