**On Friday, September 24, 2010, the following inquiry was submitted with respect to the August 23, 2010, Request for Proposals for the online Ohio Revised Code and Ohio Administrative Code:**

Text:

Will there be an electronic copy of the current ORCs and OACs available to import into the new web site?

How are updates to the ORC and OAC communicated? Is there a subscription and is it printed or electronic?

Thank you.

**The following response was transmitted through the DAS website on Tuesday, September 28, 2010:**

LSC expects that the Contractor will have or be able to obtain the base Codes on its own. The RFP, in paragraph (A) under "Required Contents," stipulates that the Site will include "The Contractor's unannotated Ohio Revised Code (ORC) and Ohio Administrative Code. . .complete with title, chapter, and section headings. . ." Recently passed legislation and recently filed rules are available for download from an FTP site maintained by the Legislative Information Systems office. Legislation is provided in both XML and PDF format. Rules are provided in PDF format. Subscriptions to the FTP site are free of charge.
