125th General Assembly

(S. State & Local Government & Veterans Affairs)

Makes the following changes to the laws governing two entities that the House-passed version and the Senate committee version would *renew* in implementing the Sunset Review Committee's report:

- Adds the Director of Development or the Director's designee to the *Development Financing Advisory Council*, changes the term of office of the gubernatorial appointees to the Advisory Council from seven to five years, and changes the Advisory Council's quorum requirement from five to four members (R.C. 122.40).
- Removes the Ohio Water Development Authority's designee as an ex officio member of the *Technical Advisory Committee to Assist the Director of the Ohio Coal Development Office* (R.C. 1551.35).

Continues the Midwest Interstate Passenger Rail Compact Commission (Ohio members) that the House-passed version proposed for abolition (Section 4).

- Creates three new Senate leadership positions (Majority Floor Leader, Assistant Majority Floor Leader, and Assistant Majority Whip), abolishes one Senate leadership position (Assistant President Pro Tempore), and fixes the salaries of the new leadership positions (R.C. 101.02 and 101.27).
- Authorizes former presiding officers of either house of the General Assembly to administer oaths of office to General Assembly members, officers, and staff (R.C. 101.23).
