

Ohio Legislative Service Commission

Synopsis of Senate Committee Amendments*

Linda S. Crawford

Sub. H.B. 330

128th General Assembly
(Senate Highways & Transportation)

Allows the operation on local roads of vehicles weighing up to 120,000 pounds in any county having a population of more than 121,000 but less than 122,000 (based on the 2000 federal census), if the vehicle is being operated (1) to or from an intermodal transportation facility transferring freight between railroads and motor vehicles, for a total trip distance of less than one mile, and (2) over roads that are sufficient to bear the weight and that are not part of the state highway system, except that the vehicle may cross not more than one state highway in a single trip.

Establishes that when a vehicle that was ordered into storage by law enforcement is to be disposed of at public auction and the sheriff or chief of police files a required affidavit with the clerk of courts showing compliance with the requirements of governing procedures (including notification to the owner and any lienholder), the sheriff or chief must file the affidavit without charge to any party.

Establishes new speed limits for two specific portions of State Route 163 within Marblehead; for a specified part of the northern portion of State Route 163, the speed limit must be 35 miles per hour, and for a specified part of the southern portion of State Route 163 within Marblehead, the speed limit must be 40 miles per hour.
