Synopsis of Senate Committee Amendments*

Wendy H. Gridley

Sub. H.B. 188

129th General Assembly
(S. Government Oversight and Reform)

Removes the requirement for the Ohio Constitutional Modernization Commission, in the event of a call for a constitutional convention, to make recommendations to the General Assembly about the organization of the convention and possible amendments to the Constitution.

Provides that if the electors, in 2012, approve a constitutional convention, the Commission must transfer its assets and records to the convention; and upon that transfer, the Commission ceases to exist.
