Synopsis of Senate Committee Amendments*

Mackenzie Damon

Am. H.B. 331

129th General Assembly
(S. Ways and Means & Economic Development)

Specifies that the Council is subject to the state "open meetings" law, but expands the current law exception that allows public bodies to hold executive sessions to discuss the security arrangements of a public body to allow the Council to hold executive sessions to discuss the security arrangements of any state or local government entity.

Amends the requirement that one member of the Council be a representative of the Department of Development or JobsOhio to instead provide that the member must be a representative of the Department of Development.

Amends a provision that would have required the Directors of Administrative Services, Public Safety, Development, and JobsOhio to provide staff and administrative support to the Council upon the Council's request to instead require the Department of Administrative Services' Office of Information Security and Privacy Management to provide such support if so requested.
