Synopsis of House Committee Amendments*

Sam Benham

Sub. S.B. 2

129th General Assembly
(H. Economic & Small Business Development)

Requires proposed rules to be evaluated on the basis of whether they promote an "overall balance" between regulatory objectives and compliance costs, as opposed to an "overall favorable balance" under the Senate-passed bill.

Adds a fourth criteria for determining whether a rule has an "adverse impact on businesses": if the rule requires businesses to incur specific expenditures as a condition of complying with the rule.
