Wendy H. Gridley

### **Sub. H.B. 10**

130th General Assembly

(S. Public Safety, Local Government, and Veterans Affairs)

Reduces the required number of Board of Deposit meetings from 12 to at least one annually.

Authorizes two board members, at any time, to request the chairperson of the Board of Deposit to call a meeting and requires the chairperson to call a meeting within 30 days after receipt of such a request.

Requires the chairperson of the Board of Deposit to provide the board with a monthly report of the notifications the Treasurer of State must provide the Board when the Treasurer classifies public moneys as interim moneys; also requires the chairperson to post that report monthly on the Treasurer of State's web site.

Expands the allowable subject matter for the continuing education required for a qualified project manager.

Corrects errors and omissions in recently passed S.B. 3 of the 131st General Assembly (effective September 17, 2014) by clarifying provisions, improving the workability of provisions, removing obsolete and repetitive provisions, improving consistency between provisions, and adjusting cross references.

Makes one technical correction.
