Nicholas A. Keller

### **Sub. H.B. 37**

130th General Assembly  
(S. Commerce and Labor)

Allows a participating employee who works more hours than assigned under a shared work plan to receive modified shared work compensation if the employee satisfies requirements similar to those in the House-passed version for employees working fewer hours than assigned under a shared work plan.

Applies to the bill's unemployment compensation fraud penalty the six year statute of limitations that is currently applicable to collections by the Director of fraudulent unemployment compensation benefits and interest on those benefits.
