Dennis M. Papp

### **Sub. H.B. 129**

130th General Assembly  
(S. Criminal Justice)

Removed the provisions of the House-passed version of the bill that would have increased the penalty for the offenses of "aggravated menacing," "menacing by stalking," and "menacing" in circumstances in which there were four or more victims of the offense.

Specified that, in all of the provisions of the House-passed version of the bill that provide for the application of the offenses of "aggravated menacing," "menacing by stalking," and "menacing" to words or conduct directed at or identifying a corporation, association, or other organization that employs the threatened person or that pertain to the issuance of a protection order on behalf of a corporation, association, or other organization, the term "organization" includes an entity that is a governmental employer.
