Synopsis of Senate Committee Amendments*

Jennifer A. Parker

Sub. H.B. 320

130th General Assembly
(S. Finance)

Specifies that the qualified immunity extended by the bill to volunteer health care professionals and the facilities associated with those professionals for services provided to Medicaid recipients applies only for services provided in a free clinic.

Requires free clinics to compile information on Medicaid eligibility and application procedures and display copies of that information in a prominent location.

Authorizes the Board of Nursing to issue a volunteer's certificate to a retired advanced practice registered nurse in addition to retired registered nurses and licensed practical nurses.

Removes a conflict in the bill relative to part-time service in the Physician and Dentist Loan Repayment programs caused by the enactment of a similar provision in the main MBR (H.B. 483).
