

Ohio Legislative Service Commission

Synopsis of Senate Committee Amendments*

Nick Thomas

Sub. H.B. 341

130th General Assembly
(S. Insurance and Financial Institutions)

Requires license renewal applicants to certify, as opposed to provide evidence, that the applicant has access to the Ohio Automated Rx Reporting System (OARRS).

Authorizes a licensing board to take a disciplinary action against a licensee if the licensee certifies to the board that the licensee has been granted access to OARRs and the board later determines that the licensee actually does *not* have access.

Removes the requirement that the Medicaid Director confirm that a Medicaid recipient is enrolled with a managed care organization (MCO) prior to that MCO being able to receive OARRS information pertaining the Medicaid recipient.
