Fiscal effect: The Adjutant General's Department historically requests the Controlling Board to release funds to pay worker's compensation costs. These requests generally utilize the moneys appropriated to the Board for emergency purposes/contingencies. By repealing the law, the Department will no longer make requests of the Board for the purposes of paying workers' compensation costs, however, the Department is still required to make these payments. Presumably, these payments will now be paid out of the Adjutant General's budget.
