| | No provision. | | Specifies the 350 minimum service capacity for an entire classroom facility specified in the SFC guidelines for school districts does not apply to community schools. | No provision. |
| | | | Fiscal effect: Depending on the application of the SFC guidelines, community schools could incur additional facility costs. | |
| 4 | SFC - 19 | School Facilities Assistance Rankings | | |
| | | | | R.C. 3318.011, Section 385.93 |
| | No provision. | | No provision. | Specifies that if a school district's tangible personal property valuation made up 20% or more of it's total taxable value on August 31, 2005, it's 3-year "average taxable value" used for computing wealth percentile rankings of school districts for school facilities assistance is only the 3-year average of the sum of its real property valuation (rather than of its real property valuation and its tangible personal property valuation as under current law). Continues to compute "average taxable value" as under current law for all other school districts. |
| | | | | Requires the Department of Education to calculate and certify to SFC a new "alternate equity list" for use in FY 2010 using the bill's definition of "average taxable value", as described above. Specifies that any district already offered |

assistance for FY 2010 continues to be eligible for assistance that fiscal year.
Fiscal effect: Some districts may be lower on the equity list and some may be higher in FY 2010. The equity list affects a district's local share and when a district is served under SFC's Classroom Facilities Assistance Program.

| 5 | SFC - 3 | Changes to Maintenance Levy Requirement for Accelerated Urban Districts | |
| R.C. | 3318.061, 3318.38, Section 385.30 | R.C. | 3318.061, 3318.38, Section 385.30 |
| Eliminates the requirement, for the six districts participating in the Accelerated Urban Initiative (AUI), that the district's one-half-mill maintenance levy extend for 23 years after the district's last segment is undertaken if the project is divided into segments. Instead, requires the maintenance levy to run for 23 years from the date the initial segment is undertaken, as required for all other districts undertaking projects under the Classroom Facilities Assistance Program. | Same as the Executive. | | No provision. |
| Requires SFC to amend project agreements with the six AUI districts, if necessary, to comply with these changes. | Same as the Executive. | | No provision. |
| Fiscal effect: The changes would reduce the number of years for which the six AUI districts (Akron, Cincinnati, Cleveland, Columbus, Dayton, and Toledo) would have to levy the required 1/2 mill property tax for maintenance because all of these districts have divided their projects into segments. Presumably, the AUI districts would use other funds to meet their building maintenance needs. | Fiscal effect: Same as the Executive. | | |

| 7 | SFC - 12 | Priority for School Districts Participating in Expedited Local Partnership Program | <p>R.C. 3318.36</p> <p>No provision.</p> <p>Specifies that the priority for state assistance under the Classroom Facilities Assistance Program (CFAP) for a school district participating in the Expedited Local Partnership Program (ELPP) is based on the district's percentile ranking on the equity list at the time it entered into ELPP instead of on the current equity list as provided under current law.</p> <p>Fiscal effect: While this provision has no effect on an ELPP district's local share percentage when it enters into a CFAP project, as that percentage is "locked" into place upon ELPP approval, it could lead to a district entering into a CFAP project agreement sooner or later depending on changes in a district's equity list rankings.</p> | <p>No provision.</p> |
