No provision.	Requires each person that files a claim for unclaimed funds with the Director of Commerce under a finder's agreement to include a copy of the agreement with the claim.	No provision.	
No provision.	Allows the Director of Commerce to establish a reasonable fee for the processing and delivery of any payment made to a finder pursuant to such an agreement, payable by the finder.	No provision.	
No provision.	Requires an applicant for registration by the Division of Unclaimed Funds as a finder to undergo a criminal records check conducted by the Bureau of Criminal Identification and Investigation, or a vendor approved by the Bureau, and requires the applicant to pay the fee required to conduct the background check.	No provision.	
No provision.	Requires the Director of Commerce to notify owners of unclaimed funds, without an address known by the Department of Commerce or residing out of state, by public notice posted on the Department's web site. Current law requires that public notice be published in a newspaper of general circulation in the county of the owner's last known address or, if the owner resides in a foreign country, by other means of publication that the Director finds most effective. No provision.	No provision.	Permits the Superintendent of Financial Institutions to issue temporary loan and mortgage loan originator licenses to applicants meeting certain criteria, including payment of a nonrefundable \$100 application fee.
No provision.	No provision.	Enables a temporary licensee to engage in the loan origination business for which the licensee holds the temporary license while the licensee completes the requirements necessary to obtain the appropriate annual license.
No provision.	No provision.	Requires that a licensee have a sponsor who is registered in accordance with current law, employs the licensee, and covers the licensee under its corporate surety bond during the term of the temporary license.
No provision.	No provision.	Creates identical processes by which each license may be issued and revoked.
No provision.	No provision.	Permits the Superintendent to adopt rules in accordance with the Administrative Procedures Act as necessary for the implementation and operation of the bill.
No provision.	No provision.	Specifies that the temporary licenses are to last at least 120 days, but allows the Superintendent to establish expiration dates by rule.
		Fiscal effect: Any minimal increase in costs the Division of Financial Institutions incurs for processing the temporary licenses would be offset by the increased revenue from the \$100 application fees deposited into the Consumer Finance Fund (Fund 5530). It is difficult to estimate the number of temporary licenses that may be applied for because the estimate would be influenced by national and regional loan market conditions.

BORCD6	Supplemental Tax-Sheltered Annuities Offered by Institutions of Higher Education and School District	s
	R.C. 9.90, 9.91	
No provision.	Provides that supplemental tax-sheltered annuities offered by the governing board of a public institution of higher education or the board of education of a school district to the board's employees may be offered through the board's choice of: (1) a provider selected through a competitive bidding process established by the board, rather than the competitive bidding process established under current law; (2) providers authorized under current law to provide investment options under an alternative retirement plan (ARP) offered by a public institution of higher education (Currently, the Superintendent of Insurance must designate at least three entities to provide ARPs for public institutions of higher education); or (3) as provided under current law, a provider designated by an employee. Permits a board to require an employee who has designated a provider to select a new provider from vendors selected by the board, subject to any existing contract.	
No provision.	Allows the Ohio Board of Regents to develop a standardized plan document to be used when a governing board selects a provider authorized to provide investment options under an ARP as the provider of the employees' supplemental tax-sheltered annuity, and allows boards to charge the providers fees to cover administrative and marketing expenses.	No provision.
No provision.	Provides that the supplemental annuities offered by the governing board of a public institution of higher education or the board of education of a school district are annuities qualified under federal tax law, rather than "tax-sheltered annuities."	No provision.

No provision.	Makes the Ohio Board of Regents, rather than the Department of Insurance, responsible for designating vendors as eligible to provide investment options under alternative retirement plans (ARPs) for employees of public institutions of higher education.	Same as the House.
No provision.	Adds several factors, including the following, to those to be identified, considered, and evaluated when designating entities as vendors: (1) whether the entity intends to offer a broad range of investment options, the suitability of investment options to the needs and interests of employees electing to participate, and the fees and expenses associated with the investment options; (2) the capability of the entity to offer information to electing employees and perform in their best interests.	Same as the House.
No provision.	Eliminates as factors to be considered when designating vendors the relationship between the rights and benefits under the investment options and amount of contributions made under those options and the suitability of those rights and benefits to the needs and interests of employees eligible to participate. For purposes of reimbursing units of local government for revenue losses resulting from reductions in tangible personal property taxes on general business and in public utility personal property taxes, clarifies that a fixed-rate levy will continue to be reimbursed only to the extent that the levy continues to be charged and payable. (A reduction in a levy will lead to a corresponding reduction in state reimbursement.)

No provision.	No provision.	Creates a sales and use tax exemption for tangible personal property and services used or consumed in performing research and development activities with respect to aerospace vehicles, the parts and components of aerospace vehicles, and human performance equipment and technology associated with operating and testing aerospace vehicles. Defines aerospace vehicles as any manned or unmanned aviation device including, but not limited to, aircraft, airplanes, helicopters, missiles, rockets, and space vehicles. (Current law exempts sales of materials, parts, equipment, or engines used in the repair and maintenance o aircraft).
		Fiscal effect: Reduces the state sales and use tax base and creates a GRF revenue loss of undetermined size from decreased state sales and use tax receipts. Also decreases receipts from county permissive and transit authority sales taxes because those local sales taxes share the same tax base as the state sales and use tax.

Stipulates that the OBM Director certify the percentage, if it exceeds 0.35%, to the Tax Commissioner no later than October 10 so the Tax Commissioner can reduce personal income tax rates by the certified percentage. Requires the OBM Director to transfer amounts as necessary from the Shale Resource Income Tax Relief Fund to the GRF, the Local Government Fund (LGF or Fund 7069), and the Public Library Fund (PLF or Fund 7065) so those funds are held harmless from revenue losses arising from the personal income tax rate reductions.

Fiscal effect: According to the Executive, horizontal well severance tax revenues will be \$21 million in FY 2013. of which \$17 million will be transferred to the Shale Resource Income Tax Relief Fund while the remaining amount will be transferred to the Department of Natural Resources. By FY 2014, the Executive estimates more than \$61 million in horizontal well revenues will be credited to the Shale Resource Income Tax Relief Fund. In FY 2014, the Shale Resource Income Tax Relief Fund would have a balance sufficient to trigger a reduction in personal income tax rates for tax year 2014. The **Executive estimates that the Shale Resource Income Tax** Relief Fund will receive \$152 million in FY 2015 and \$291 million in FY 2016, which are based upon projected horizontal well severance tax revenues of \$174 million and \$327 million, respectively. The revenue projections assume that all horizontal wells pay the lower 1.5% tax rate for their first two years and pay the higher 4.0% tax rate beginning in the third year and every year thereafter. Revenue projections rely, in part, upon well production estimates provided by the Ohio Shale Coalition Study. Finally, the Executive Branch revenue estimates assume future natural gas prices will be \$2.50 per million British thermal units. If future natural gas prices are higher or if horizontal wells recover their costs and pay the higher 4% tax rate sooner than anticipated, the potential severance tax revenues would be higher, and the transferred balances to the Shale Resource Income Tax Relief Fund would also be higher. Total revenue to the Shale Resource Income Tax Relief Fund during FY 2013 through FY 2016 is estimated to be \$522 million under these assumptions. Under alternate assumptions, the Executive estimates revenue to the new fund could be up to \$973 million during this period.
