Board of Deposit

 The Board of Deposit uses no GRF moneys

 The Board of Deposit designates which financial institutions serve as public depositories

OVERVIEW

Agency Overview

The State Board of Deposit was created in 1904 and operates under the authority of Ohio Revised Code Chapter 135., the Uniform Depository Act. The Board is composed of three elected officials or designees of these officials: the Treasurer of State, the Auditor of State, and the Attorney General. The Treasurer of State or the Treasurer of State's representative serves as the Board's chairperson. The cashier of the state treasury serves as the secretary of the Board.

The Board's major functions are to designate qualified financial institutions and banks to function as public depositories, to regulate the deposits of state money into these institutions, to approve bank service charges, and to confirm the designation and investment of interim moneys of the state. As of July 2015, 108 financial institutions throughout the state have been designated by the Board as public depositories for state funds.

The Board of Deposit uses no GRF moneys. The Board of Deposit Expense Fund receives transfers of cash from the Investment Earnings Redistribution Fund (Fund 6080) after certification of the Board's expenses by the Treasurer of State. The Board's funding is used to pay for banking charges and fees required for the operation of the State Treasurer's regular bank account and two auxiliary accounts: the Consolidated Check Clearing Account and the Treasurer's Custodial Contingency Account.

The Board employs no staff, but the staff of the Treasurer of State provides some support for the Board. Each month, the Board's chairperson is required to provide a monthly report to the Board consisting of notifications received from the Treasurer of State that public moneys have been classified as interim moneys and to post the report to a website maintained by the Treasurer of State.¹ In the next biennium, the Board of Deposit will continue to monitor compliance of the designated public depositories with its contracts, and to ensure efficient and prudent management of state cash. The Board of Deposit will also continue its oversight responsibility over the state's investment portfolios.

¹ R.C. 135.02 (effective March 23, 2015).
