It may also increase the state's administrative costs associated with HSAs. Any such costs would be paid from the Human Resources Services Fund (Fund 1250). Currently, medical claims costs of the state's self-insured health plan are paid out of the State Employee Health Benefit Fund (Fund 8080). **R.C. 125.061, 125.04**

Allows DAS to suspend state purchasing and contracting requirements in current law for any state agency experiencing a "state procurement emergency." Defines "state procurement emergency" as a situation that creates (1) a threat to public health, safety, or welfare, (2) an immediate and serious need for supplies or services that cannot be met through normal procurement methods required by state law, and (3) a serious threat of harm to the functioning of state government, the preservation or protection of property, or the health or safety of any person.

Requires the director or administrative head of the state agency where the state procurement emergency exists to request DAS to suspend purchasing and contracting requirements in Chapter 125. of the Revised Code.
