Analysis of FY 2022-FY 2023 budget

Summary

The State Library Board’s (LIB) budget consists of eight appropriation line items (ALIs). Of those, three are supported by the GRF, four are supported by money appropriated from specific state non-GRF funds in the Dedicated Purpose Fund (DPF) and Internal Service Activity (ISA) fund groups, and one is supported by federal grants. The budget provides overall funding of \$21.7 million each fiscal year, a decrease of 1.2% from FY 2021 expenditures. The overall decrease for the upcoming biennium results from temporary federal funding received in FY 2021 from the Coronavirus Aid, Relief, and Economic Security (CARES) Act, which LIB mainly used to provide grants to assist libraries with their COVID-19 pandemic response. LIB’s GRF appropriations are \$5.1 million each fiscal year, an increase of 5.4% from FY 2021 expenditures. The majority (51.8%) of LIB’s budget is comprised of state non-GRF funds that primarily support the Ohio Public Library Information Network (OPLIN) and services provided to libraries. The remainder of the LIB budget is split between federal funding (24.8%) and the GRF (23.4%). For organizational purposes, LIB’s eight line items are grouped into two major functional categories:

(1) library services and support and (2) Ohio Public Library Information Network. Each LIB appropriation item is discussed in more detail below.

Library services and support

Line items in this category are used to operate the State Library, provide library services to state government and local communities, and to provide financial support for local library programs and special activities.

Operating Expenses (ALI 350321)

FY 2018 Actual	FY 2019 Actual	FY 2020 Actual	FY 2021 Actual	FY 2022 Appropriation	FY 2023 Appropriation
GRF ALI 350321, Operating Expenses					
\$4,512,572	\$4,378,001	\$4,708,061	\$4,053,087	\$4,293,122	\$4,293,122
% change	-3.0%	7.5%	-13.9%	5.9%	0.0%

This line item is the primary source of state operating support for the State Library's services to state government and Ohio library communities. It provides funds for payroll and fringe benefits, maintenance and equipment, the acquisition of library materials, and other administrative costs.

Services to state government supported by this line item include circulating materials and providing reference services, providing access to research databases, and assisting users in finding materials held by libraries around the state through the OhioLINK system. It also supports digital cataloging for state agency documents; maintaining catalogs for agency libraries at the Bureau of Workers' Compensation, the Ohioana Library, and the Ohio School for the Deaf; and providing meeting facilities for state agencies.

Services specific to Ohio library communities include payroll for administering the Serving Every Ohioan (SEO) consortium's shared online catalog service for 98 local library systems and coordinating the Statewide Delivery System and its associated online catalog application. Funds also support the payroll of State Library staff providing consulting services to local libraries, the lending of Talking Book machines to participating libraries, and coordination of the Ohio Digital Library to provide digital content to local libraries. A provision in the budget requires public libraries, if requested, to provide an individual with a photocopy of their driver's license, driver's permit, or state identification free of charge.

Ohioana Library Association (ALI 350401)

FY 2018 Actual	FY 2019 Actual	FY 2020 Actual	FY 2021 Actual	FY 2022 Appropriation	FY 2023 Appropriation
GRF ALI 350401, Ohioana Library Association					
\$295,114	\$300,114	\$295,114	\$282,114	\$305,000	\$305,000
% change	1.7%	-1.7%	-4.4%	8.1%	0.0%

This line item provides state support for the Ohioana Library Association (OLA), an independent, nonprofit entity governed by a board of trustees that is dedicated to collecting and promoting literary works by Ohio authors or about Ohio or Ohioans. The appropriation supports a portion of OLA's operating expenses associated with the management of the library's collection and programs. OLA also uses this subsidy to leverage private, independent funds to support OLA and its services. The budget earmarks \$180,000 of this appropriation in each fiscal year for OLA's operating expenses and allocates the remaining \$125,000 for rental payments for the space OLA leases in the State Library.

Regional Library Systems (ALI 350502)

FY 2018 Actual	FY 2019 Actual	FY 2020 Actual	FY 2021 Actual	FY 2022 Appropriation	FY 2023 Appropriation
GRF ALI 350502, Regional Library Systems

% change	0.0%	-1.6%	-1.6%	-0.8%	0.0%

This line item supports Ohio's four regional library systems that coordinate the sharing of resources and materials among their member libraries. The four systems provide educational and technology training programs and workshops, coordinate regional library programs, and deliver technology support and consulting services to member libraries and their staffs. As each system receives exactly one-quarter of the state appropriation for this line item, the appropriation amounts to \$120,000 per system per fiscal year.

Services for Libraries (ALI 350603)

FY 2018 Actual	FY 2019 Actual	FY 2020 Actual	FY 2021 Actual	FY 2022 Appropriation	FY 2023 Appropriation

% change	-1.8%	-3.2%	-5.8%	27.3%	0.0%

Moneys used to support this line item are derived from charges to local libraries and other local entities for State Library services. The majority of revenue and expenditures under this line item are attributable to two programs: Serving Every Ohioan (SEO) consortium's shared online catalog service for 98 local library systems and the Statewide Delivery Services Program, which facilitates the sharing of library books and materials between local library systems.

Library for the Blind (ALI 350605)

FY 2018 Actual	FY 2019 Actual	FY 2020 Actual	FY 2021 Actual	FY 2022 Appropriation	FY 2023 Appropriation

This line item provides funding for the Ohio Library for the Blind and Physically Disabled at the Cleveland Public Library to operate the statewide Talking Book Program. The program assists persons who are blind and physically disabled with access to books through specialized audio devices. Through agreements with the State Library, local public libraries, social services organizations, or other agencies lend specialized "Talking Book" machines to eligible individuals in their area. The Cleveland Public Library circulates braille and audio reading materials statewide. The Library of Congress' National Library Service for the Blind and Print Disabled supplies nearly all of the physical inventory of audio books, recorded magazines, and braille materials, as well as playback equipment. Under the budget, this line item is funded through a \$1.3 million transfer each year from the Public Library Fund (Fund 7065) to the Library for the Blind Fund (Fund 5GB0). Federal funding appropriated in Fund 3130 line item 350601, LSTA Federal, supplements the state funds provided for Ohio Library for the Blind and Physically Disabled.

Services for State Agencies (ALI 350602)

FY 2018 Actual	FY 2019 Actual	FY 2020 Actual	FY 2021 Actual	FY 2022 Appropriation	FY 2023 Appropriation

% change	-31.2%	392.3%	-71.4%	300.0%	0.0%

This line item supports the State Library's services to state government through fees collected from state agencies that use the Library's services. Most fee revenue is received for cataloging services provided to the Bureau of Workers' Compensation. Other revenue comes from salvaged property or assets.

LSTA Federal (ALI 350601)

The State Library uses moneys received from the Institute of Museum and Library Services (IMLS) under the federal Library Services and Technology Act (LSTA) for a variety of eligible activities. Initiatives supported by this line item include consulting and other services provided to Ohio library communities, operating the Serving Every Ohioan Library Center, and providing access to materials and electronic databases, including the Ohio Digital Network (ODN). ODN is Ohio's service hub for the Digital Public Library of America (DPLA), an online portal that collects materials from libraries, museums, and other archives in order to make them freely accessible. LIB also uses LSTA funds to support various competitive grants to local libraries.

The LSTA state matching requirement is 34%, which is met through partial expenditures from line items 350502, 350604, and 350605 that qualify under the LSTA guidelines. LSTA matching funds are also obtained from subgrantee projects. As noted above, a small portion of LSTA grant funding is used to support the Ohio Library for the Blind and Physically Disabled Program that receives state funds through line item 350605, Library for the Blind. In FY 2021, this line item was also used to spend approximately \$1.0 million in federal CARES Act funds distributed by IMLS. LIB mainly used the funds to provide grants to assist libraries with their COVID-19 pandemic response.

Ohio Public Library Information Network

This category includes one line item that provides support for the Ohio Public Library Information Network (OPLIN). OPLIN is governed by an 11-member board appointed by the State Library Board and exists as an independent entity within the State Library of Ohio.

Ohio Public Library Information Network (ALI 350604)

This line item supports the operations of the Ohio Public Library Information Network. OPLIN is a statewide network that provides public libraries with free broadband internet access, information and research database subscriptions, and access to Ohio-specific content. OPLIN is primarily funded by transfers of \$3.7 million in each fiscal year from the Public Library Fund (Fund 7065) to the OPLIN Technology Fund (Fund 4S40). Fund 4S40 also receives revenue through e-Rate reimbursements and fees paid by libraries for specific OPLIN services.
