Requires, rather than authorizes, the ODOT Director and every county, to issue an annual permit for: (1) vehicles that haul farm machinery, when the farm machinery otherwise qualifies for the ODOT "Farm Equipment Permit" or a similar county permit for farm machinery and equipment; and (2) vehicles that haul agricultural produce or agricultural production materials that otherwise could be hauled by farm machinery under the ODOT "Farm Equipment Permit" or a similar county permit for farm machinery and equipment.

No provision.

**TAXCD1 Motor fuel tax distributions to Highway Operating Fund**

**Fiscal effect: This provision would result in about \$24 million per fiscal year in net revenue gain to Fund 7002 and offsetting revenue loss, by the same amount, primarily to local governments but also to other state funds.**

**TAXCD2 Motor fuel evaporation tax credit**

**Section: 757.20**

Continues, for the FY 2024-FY 2025 biennium, a temporary reduction in MFT credits, in which a temporary motor fuel tax evaporation allowance is set for motor fuel distributors to 1% (less 0.5% of the gallonage sold to retailers), and at 0.5% for retail dealers.

**Fiscal effect: Increases the amount of MFT revenue that will be retained by the state and subsequently distributed to local governments and applicable state agencies, compared to codified law. Under codified law, the percentage of allowance for motor fuel dealers is 3% (less 1% of the gallonage sold to retailers), and for retail dealers the percentage of shrinkage refund is 1% of total MFT paid on fuel purchased during each of the semiannual filing periods. Under the same provision in the transportation budget of the 134th General Assembly, the net shrinkage deduction was about \$24 million in FY 2022. Based on FY 2022 experience this provision would decrease the shrinkage allowance by roughly \$48 million in each year of the biennium and increase funding available for the Highway Operating Fund, other state funds, municipalities, counties, and townships in total by about that amount.**
