DPSCD80 Insurance and peer-to-peer car sharing

R.C. 4516.08, 4516.09, 4516.10

No provision.

Expands on the general statement within the peer-to-peer (P2P) car sharing provisions that an insurer may limit, restrict, or exclude coverage of a shared vehicle within its insurance policies.

No provision.

Expressly requires a P2P car sharing program to have a policy of insurance or a self-insurance mechanism to cover its statutory insurance obligations.

No provision.

Designates the party that is providing the auto insurance during the P2P car sharing period (owner, driver, or program) as specified in the agreement as the "primary insurance."

No provision.

Requires the P2P car sharing program to provide the difference in coverage if an Ohio shared vehicle is operated in a state with higher minimum coverage amounts.

No provision.

Requires the primary insurance to cover a claim when either a dispute exists as to who was the operator at the time of the loss or whether the shared vehicle was returned to the proper location.

No provision.

Removes the requirement that the P2P car sharing program examine the insurance policy of the shared vehicle owner or shared vehicle driver (to determine if car sharing coverage is excluded) if the owner or driver refuses coverage provided by the program.

**Fiscal effect: The insurance coverage requirement may result in increased collections of domestic and foreign insurance taxes by an uncertain amount, likely minimal. Any revenue increases will increase amounts distributed to the GRF (96.68%), the Local Government Fund (LGF, 1.66%), and the Public library Fund (PLF, 1.66%). Money in the LGF and PLF is distributed to counties, municipalities, townships and public libraries.**
