ACCCD1	Electronic register of accountants licensed by the Board		
R.C.	4701.13	R.C.	4701.13
Requires the Accountancy Board to maintain a publicly available and searchable electronic register with certain information regarding each certified public accountant and public accountant holding a license issued by the Board, rather than requiring a printed register as under current law, and modifies the information that must be included in the register.		Same as the Executive.	
Fiscal effect: This provision will reduce the Board's costs of maintaining a printed register (such costs are paid from DPF Fund 4K90). The Board currently provides an online licensee lookup capability.
